Iowa Code §8D.10
Report of Savings by State Agencies

December 2010

Introduction and summary

Iowa Code § 8D.10 requires certain state agencies to prepare an annual report to the General Assembly certifying the identified savings associated with that state agency's use of the Iowa Communications Network (ICN).

This report covers estimated cost savings related to video conferencing via ICN for the Iowa Department of Transportation (DOT).

In FY 2010, the DOT did not conduct any sessions utilizing ICN's video conferencing system. Therefore, no cost savings were calculated for this report.
