Iowa Floods 2008

The Iowa floods of 2008 have wrecked havoc on communities across the state. The Iowa Alcoholic Beverages Division would like to thank everyone for their understanding as services were disrupted as we assisted in flood evacuations, water delivery and general transportation needs. The Governor has posted a website regarding the Floods of 2008. Visit IowaABD.com and click the icon shown above to learn more about the Governor's recovery efforts.

Iowa Smokefree Air Act

The Iowa Smokefree Air Act becomes effective July 1, 2008. In addition to items already posted, an FAQ document and a draft of the administrative rules are now available online at: IowaABD.com/smokefree.

Independence Day Order & Delivery Schedule

The Independence Day holiday on Friday, July 4th, 2008, will affect the ordering and delivery schedule for many customers during the week of June 30th. Please refer to the day of the week you place your orders to see how you will be impacted.

MONDAY - WEDNESDAY: Orders and deliveries will be made according to the normal weekly schedule.

THURSDAY: Orders must be received by Thursday, July 3rd, with deliveries made on Saturday, July 5th

Visit IowaABD.com and click on the icon shown above to view order and delivery interruptions due to scheduled state holidays for the entire year.

Will-Call Changes

Effective July 7, 2008, the Division's will-call program will be updated to reflect the following changes: Will-call will only be available Monday - Thursday. In order to accommodate customers, the Division will extend daily will-call hours.

Call-in time will be 8AM - 3:30PM. Will-call pick-up will be 11AM - 6PM. Payment for orders placed after 2:30PM on Thursdays will be processed on Friday's business. Friday will-call will be reinstated during peak sales periods throughout the year.

Bottle Surcharge Increase

Iowa Code § 123.24(5) mandates that the Division assess a bottle surcharge in an amount sufficient to cover the costs incurred for collecting and properly disposing of liquor containers. The Division has been operating at a deficit for the past few years, as the surcharge has remained unchanged since 2000. The steep increases in fuel costs have resulted in significant hikes to the vendor contract. In addition, the return rate on liquor bottles has steadily been increasing. As such, the surcharge will be increased to \$.04, effective July 1, 2008, in order to come into compliance with the code.
