Thank you

The Division would like to thank you for being flexible as deliveries get shifted and order dates moved to accommodate severe weather and the recent holidays. After three major snow storms and an ice storm, we all hope the rest of the winter is kinder to Iowa.

Return policy

On rare occasion, a case ships from the factory with a missing or broken bottle. In order to receive a refund from the Division, the original packaging and case box must be kept and returned with the damaged product.

Will-Call closure

Will-call will be closed on Friday, February 26, 2010, due to warehouse inventory. Please plan your liquor orders accordingly.

Micro-Distillery recommendations

Between August and November of 2009, the Iowa Alcoholic Beverages Commission held a series of forums throughout the state titled *Iowa Native Distillery Forums*. As a result, the Commission has set forth ten recommendations to the Iowa legislature. A primary recommendation is to allow micro-distilleries to sell the products that they produce at the point of origin, provided that the products have gone through the three-tier system of distribution. Another critical recommendation ensures that Iowa's tax scheme for alcoholic beverages remains constitutional and consistent among in-state and out-of-state suppliers. The recommendations can be downloaded from the Division's website at IowaABD.com/about/updates/indf.
