Sales Information now Public Record

With the passage of SF 240, class "E" licensee purchases from the Division will no longer be exempt from open records laws as of July 1st. All records of alcoholic liquor purchases from the Division are now deemed public record and can be disclosed without the consent of the licensee. Only requests for standard information that the current database already retrieves will be fulfilled. If you have any questions or concerns regarding this or any other new legislation, please contact Doug Webb at 515.281.7444 or webb@IowaABD.com

Online Ordering is Coming Soon!

The Division is in the process of implementing ROBOCOM, a new warehouse management system, which will give customers the opportunity to use a web-based store to place orders! ROBOCOM is expected to roll out this summer. During the testing period, the new and old order entry processes will be running parallel in order to ensure a smooth conversion to the new system. Therefore, customers are encouraged to get orders in earlier to ensure completion in a timely manner. Check this newsletter and IowaABD.com in the coming months for more exciting news about the ROBOCOM roll out. As always, please feel free to call or email the Division's order entry staff with any questions or concerns.

Warehouse Inventory Closure

The Division warehouse will be closed on Thursday, June 16 and Friday, June 17 for inventory. This may affect your order and delivery schedule. Please refer to the day of the week you normally place your order to see how your schedule will be impacted.
