I-ALERT Policy Website

Iowa's Alcohol Law Enforcement/Retail Training (I-ALERT) website recently launched to assist licensees in creating custom policies for their businesses. This tool will help licensees stay compliant with Iowa liquor laws and educate employees on alcohol laws, sales and responsible service. By creating an I-ALERT policy, business owners will be able to navigate through training and policy issues as well as help to legally protect themselves and their businesses. To create your I-ALERT policy, visit IALERT.iowa.gov

Online Ordering is Coming Soon!

The Division is in the process of implementing ROBOCOM, a new warehouse management system, which will give customers the opportunity to use a web-based store to place orders! ROBOCOM is expected to roll out this summer. During the testing period, the new and old order entry processes will be running parallel in order to ensure a smooth conversion to the new system. Therefore, customers are encouraged to get orders in earlier to ensure completion in a timely manner. Check this newsletter and IowaABD.com in the coming months for more exciting news about the ROBOCOM roll out. As always, please feel free to call or email the Division's order entry staff with any questions or concerns.
