Policy

From the WIC Services Policy and Procedure Manual — 320.70 Nondiscrimination Statement

A nondiscrimination statement must appear on all materials that identify or describe the WIC Program, to comply with the civil rights requirements found in the WIC regulations.

A discrimination statement is required if the material:

- Describes the eligibility requirements of the WIC Program,
- Identifies the benefits of WIC participants,
- Describes participation requirements for WIC participation,
- Provides notice of conditions to continue eligibility, or
- Provides notice of ineligibility or disqualifications.

Information

Congratulations to the Winners in Phase 3 CPA Skills Surveys!

Congratulations to the three agencies with the highest participation rates in Phase 3 of the nutrition assessment competency model skills surveys. The top three agencies received resource books from the American Dietetic Association for their agency library. The winners include:

- Operation Threshold with an 81% participation rate
- Dubuque VNA with an 80% participation rate
- Siouxland WIC with a 66% participation rate

Thank you to everyone who participated in this third and final phase for the special project grant. The state WIC office staff will be discussing draft policies about how frequently CPAs should complete skills surveys.
