Customer Service Survey

The Iowa Alcoholic Beverages Division will periodically be calling our customers asking to participate in a short survey regarding their liquor orders. The results of this survey will help ABD provide the best service possible. During this call, ABD will also provide a few tips that will minimize errors and ensure customers receive their desired products. Any feedback or suggestions would be greatly appreciated!

We Want Your Comments!

To better serve our customers, many updates and improvements have been made at ABD. Your suggestions and comments are very important to us, especially during this time when changes are being made. Please contact any of the following with feedback you may have.

Steve Larson, Administrator

515.281.7402 or Larson@IowaABD.com

Doug Webb, Deputy Director of Administration

515.281.7444 or Webb@IowaABD.com

Liquor Order Tips

To ensure your liquor order is entered, picked and delivered on schedule, please submit your orders according to the times below.

If your cut off time is 11:00am, please be sure your order is retrieved by 10:30am.

If your cut off time is 3:30pm, please be sure your order is retrieved by 3:00pm.

Invalid Code Tips

To ensure you receive your desired products, please check the codes you are currently using on your order forms to match the most recent codes for each product. Product codes have changed in years past and it is possible you are using old codes that are no longer recognized by the order entry system. If you find an item is no longer listed, you will need to special order this delisted product. ABD would like to help customers receive all products that are available and encourage licensees to double check that product codes are current before placing their order.

Most recent codes and pricing can be found in the August, September, October issue of the *Iowa Quarterly Spirits Price Book* which is available electronically on our website at www.iowaabd.com/alcohol/licensees/pricing. A list of delisted items can also be found on this page.

If you have any questions concerning this matter, please contact Doug Webb at 515.281.7444 or Webb@IowaABD.com

50ml Liquor Bottle Refund

According to Iowa law, all 50ml liquor containers must have the five cent deposit information attached or affixed to each bottle. ABD suppliers are implementing this requirement and will include the refund value on every alcoholic beverage container, including 50ml. In the meantime, CRINC will pick up and reimburse for the 50ml liquor bottles whether or not it contains the five cent deposit label. Only the 50ml bottles are exempt from the labeling requirement.
