## Ordering Update

Robocom's fast order entry has now been downloaded which lets ABD validate all orders that are received. This process allows ABD to inform all Class E licensees of products that are out of stock, discontinued or have invalid codes. If you would like a call or email with totals and outs, please indicate so on your order sheet.

## Important Reminders

Please be sure to read through the entire *Promos Newsletter*. To ensure your invoice is honored, double check you are using the correct product codes and read carefully through the terms and conditions of receiving a refund.

## I-ALERT Policy Website

The ABD, in partnership with the Iowa State Patrol, the Iowa Criminal and Juvenile Justice Planning, the Governor's Traffic and Safety Board and the Iowa Alliance of Coalitions for Change recently launched Iowa's Alcohol Law Enforcement/Retail Training (I-ALERT). The I-ALERT website was built to assist licensees in creating custom policies for their businesses. This tool will help licensees stay compliant with Iowa liquor laws and educate employees on alcohol laws, sales and responsible service. By creating an I-ALERT policy, business owners will be able to navigate through training and policy issues as well as help to legally protect themselves and their businesses. To create your I-ALERT policy, visit [IALERT.iowa.gov](http://IALERT.iowa.gov)
