Dependent Adult Abuse Statistical Report
The numbers reported in this report represent:

- Number of reports of suspected abuse the Department receives according to type of abuse defined in Iowa Code 235B
- Number of reports of abuse accepted or rejected for evaluation or assessment
- Whether the person who reported the abuse was required to report
- Of those who were required to report the abuse, how many of each profession made reports
- How many reports found the abuse occurred, did not occur or it occurred, but because the abuse was minor, isolated and not likely to reoccur was not placed on the central abuse registry
- The number of reports founded, unfounded or confirmed, not registered of each type of abuse
- How many dependent adults received which type of service after the report was completed
- The number of persons responsible for the abuse held responsible legally or received services after the report was completed
