AGENCY OVERVIEW

The Iowa Finance Authority was established in 1975 with the purpose of advancing affordable housing in the state. Since then, IFA's role has expanded considerably. In addition to funding and administering housing programs that address a range of housing needs, IFA also issues tax-exempt bonds to finance a variety of economic development activities and infrastructure projects. In 1985, IFA's Title Guaranty Division was established.

Vision: IFA will improve the quality of life for lowans by providing affordable housing opportunities and financing community and economic development.

Mission: To finance, administer, advance and preserve affordable housing and to promote community and economic development for lowans.

Guiding Principles: These core values describe how IFA conducts itself in carrying out its mission:

- Customer Focus
- Results Orientation
- Long-range Thinking
- Data-based Decisions
- Continuous Improvement
- Collaborative Leadership
- Employee Participation
- Financial Responsibility and Integrity

Core Functions: IFA performs its mission through the following activities:

Housinglowa – Provide opportunities for all lowans to obtain and maintain safe, affordable and accessible housing.

Title Guaranty – Offer a low-cost mechanism to guarantee title to real property in lowa, working with attorneys, abstractors, and lenders throughout the state to ensure the integrity of the land title transfer system and facilitate transactions in the secondary mortgage market.

Water Quality Programs – Provide financing for loans to lowa communities for clean water and drinking water projects.

Community Development – Provide low-cost financing for community and economic development projects.

Resource Management – Provide timely and accurate services and infrastructural needs to agency staff, housing partners, and other state agencies economically.

Programs: IFA executed its core functions through the following programs and services in FY08:

IFA's *FirstHome* program provides affordable mortgage financing to qualified homebuyers. IFA issues tax-exempt mortgage revenue bonds to fund the program, and mortgage loans are provided to borrowers through more than 400 participating lenders across the state. In FY09, IFA purchased 1,357 *FirstHome* loans totaling nearly \$112 million, including *FirstHome Plus* loans. *FirstHome Plus* provides cash assistance of up to \$2500 for down payment and closing costs. In FY09, 693 homebuyers took advantage of the *FirstHome Plus* program.

IFA's *OurHome Rehabilitation Program* was launched in 2006 and provides low-interest loan funds for qualified entities to rehabilitate single-family homes in Iowa. The program had a total of \$215,000 in Ioans in FY09.

IFA's *NewHome Program* provides low-interest loan funds for qualified entities to build affordable single-family homes in Iowa. Applicants include non-profit 501(c)(3) organizations, cities or counties, community housing development organizations, economic development corporations, local housing trust funds and public school or community colleges with a trade class apprenticeship program. A total of \$845,902 was loaned through the program in FY09.

In partnership with the Iowa National Guard, IFA launched the *Military Service Member Homeownership Assistance Program* in March 2005 with a \$1.05 million state allocation. In 2006 and each seceding year, the Legislature has allocated additional funds for this program, which provides grants of \$5,000 toward the purchase of a home to military personnel who served or serve on active duty since September 11, 2001. In FY09, the program helped 373 service members buy homes.

IFA has served as the tax credit allocating agency for the state of Iowa since 1986, through the *Low Income Housing Tax Credit Program.* The tax credit provides an incentive to developers to construct affordable housing units. These credits provide a dollar-for-dollar reduction to an investor's federal tax liability on ordinary income. The Internal Revenue Service annually allocates tax credits to states based on their populations. In FY09, the total of \$28,867,994 that was allocated in Low-Income Housing Tax Credits will result in the production of 1,938 affordable rental units.

The *Multifamily Loan Program* seeks to preserve the existing supply of affordable rental units at risk of being lost and to foster the production of new affordable rental units in Iowa. During fiscal year 2009, IFA financed the construction or the acquisition and rehabilitation of 90 affordable housing units through five projects across the state. The amount of FY09 loans totaled \$9,497,393.

The *State Housing Trust Fund (SHTF)* is held at IFA, and was granted permanent funding by the Legislature in FY08. The initiative allocates funding through two programs. The Local Housing Trust Fund (LHTF) which provides grants for communities, counties and organizations that wish to create a local housing trust fund. In FY09 17 loans were approved for Local Housing Trust Fund's totaling \$3,296,341. Additional funds go to the Project-Based Housing Program that aids the development and rehabilitation of single-family and multifamily housing in areas not covered by a LHTF. The program approved 12 loans in FY09 totaling \$674,085.

Since 1996, the *Home and Community Based Rent Subsidy Program* has assisted recipients to live successfully in their own home and can be used until the person becomes eligible for a Housing Choice voucher from the U.S. Department of Housing and Urban Development or any other kind of private or public rent subsidy. IFA has been administering this program since 2005, through a 28E agreement with the Iowa Department of Human Services. In FY09, IFA provided nearly \$700,000 in subsidies.

The Aftercare Rent Subsidy Program provides financial assistance for youth who are aging out of foster care and are participants in the Aftercare Services Program. The program's goal is to teach Iowa youth independence, life skills and responsibilities. IFA began administering this program in 2004 through a 28E agreement with the Iowa Department of Human Services. In FY09 IFA issued over \$40,406.21 in subsidies.

IFA is the administering agency for the *Iowa Council on Homelessness*. The Council, codified by Senate File 2161 in FY08 is made up of 38 voting members from across the state. In FY09 IFA and the Council reviewed and funded 126 Emergency Shelter Grant (ESG) and Homeless Shelter Operations Grant (HSOG) applications, totaling \$2.5 million.

IFA holds a performance-based *Section 8 Program* contract with the U.S. Department of Housing and Urban Development to provide oversight of select project-based Section 8 properties in Iowa. The contract covers 238 properties providing affordable housing to 12,080 low-income lowans in 74 counties.

IFA's *Title Guaranty Division (TGD)* offers low cost title protection for real estate located in Iowa. In FY09, *Title Guaranty* issued 44,525 certificates, covering nearly \$6.3 billion worth of Iowa real estate. Since its inception, TGD has transferred more than \$43 million to support Iowa's affordable housing programs.

The *Community and Economic Development Loan Program* furthers the development and expansion of business, nonprofit organizations, and housing within Iowa. Since 1982, IFA has issued more than \$5 billion in tax-exempt bonds, the proceeds of which are loaned to borrowers to finance qualified projects. In FY09, IFA provided over \$705 million to 10 projects across the state.

The *Water Quality* division is a core function of the Authority and is one of Iowa's primary sources for financing projects designed to improve the state's water quality. IFA and the Iowa Department of Natural Resources jointly administer the *State Revolving Fund (SRF)*. The fund, capitalized by the U.S. Environmental Protection Agency grants, assists Iowa communities with the costs of upgrading or constructing local wastewater and drinking water infrastructure projects. The SRF made significant investments in Iowa's water in FY09.

Approximately 940,000 lowans will benefit from the 37 Clean Water loans and 26 Drinking Water loans that closed in FY09. In FY09, Clean Water loans totaled more than \$149 million, and Drinking Water loans totaled \$50 million.

Planning & Design Loans are the first choice for many lowa communities in the early stages of building or repairing water infrastructure facilities. One of the program's advantages is the special terms of 0% interest for up to three years. In FY09, 55 Clean Water and Drinking Water Planning and Design loans were closed totaling \$22,492,063.

The *General Non-Point Source Program* assists water quality efforts through low-interest loans. Qualified projects include: restoration of wildlife habitat, stream bank stabilization, urban stormwater management, the remediation of storage tanks, water conservation and reuse and wetland flood prevention areas. Low-interest loans can also be made for the water quality components of other projects, such as municipal landfill closure, brownfield remediation, bird sanctuaries, and urban stormwater. In FY09 five projects were funded through loans totaling \$2,573,976.

The Onsite Wastewater Assistance Program (OSWAP) provides assistance to rural homeowners in unincorporated areas of Iowa not served by a public sewer. Homeowners may obtain a low-interest loan through a participating lender for the replacement of inadequate or failing septic systems. According to Iowa Iaw, all septic systems, regardless of when they were installed, must have a secondary wastewater treatment system following the septic tank. The Iowa Department of Natural Resources administers the program in cooperation with County Sanitarians and IFA acts as the financial agent. In FY09 the OSWAP Ioaned \$1,169,611 throughout Iowa.

The *Livestock Water Quality Program* (LWQ) offers low-interest loans through participating lenders to lowa livestock producers for projects to prevent, minimize or eliminate non-point source pollution of lowa's rivers and streams from animal feeding operations. The types of eligible projects include lagoons, manure management structures, equipment, vegetative filters and the development of manure management plans. Assistance is limited to existing facilities for animal feeding operations with less than 1,000 total animal unit capacities. The lowa Department of Agriculture and Land Stewardship administers the program, and IFA is the financial agent. In FY08 the program awarded \$8,793,136 in loans throughout lowa.

The Local Water Protection Program (LWPP) offers low-interest loans through participating lenders to lowa landowners for projects to control the runoff of sediment, nutrients, pesticides or other non-point source pollutants from entering lowa waters. The types of eligible projects include composting facilities, contour buffer strips, field borders or windbreaks, filter strips, riparian forest buffers, terraces, grade stabilization structures, grassed waterways or other practices that are shown to improve or protect water quality. The Division of Soil Conservation of the Iowa Department of Agriculture and Land Stewardship administers the program through its local Soil and Water Conservation Districts. IFA acts as the financial agent. In FY09 the LWPP awarded 314 loans for a total of \$5,706,869.

STRATEGIC GOAL

Name: Issuer Credit Rating

Description: An issuer credit rating analyzes and reflects the agency's asset base, financial performance, capital adequacy, and management.

Why we are doing this: Securing a strong rating opens new doors with securities, lenders, and investors, which will help the authority expand programming.

What we are doing to achieve results:

- Managing IFA to the "AA" rating category levels of Standard and Poor's (S&P).
- Monthly tracking of S&P financial ratios.

Performance Measure:								
&P Issuer Credit Rating	Ratio	FY03	FY04	FY05	FY06	FY07	FY08	FY09

chieve and maintain an AA ting.	Loans/ asset ratio > 70%	58.2%	62.7%	70.5%	73.3%	79.7%	78.8 %	77.7%

What was achieved: In FY09, IFA surpassed growth projections associated with its 5 year strategic plan. Total assets reached \$2.5 billion as of June 2009. IFA also achieved its goals of increasing its credit rating one notch from S&P to AA from AA-. Moody's confirmed IFA individual credit rating at Aa3. **Data Sources:** Iowa Finance Authority and Standard and Poor's.
