Highly Allocated Products

Highly allocated products are products that are brought in on a very temporary basis, are not listed products or special order products and are highly limited in supply. If you are interested in being added to the notification list for these products as they become available, please sign up at http://iowaabd.com/alcohol/licensees/products/highly_allocated. When highly allocated products arrive in the Division warehouse, licensees who have signed up for notification will receive an email.

Class E licensees interested in purchasing any specific highly allocated product must express interest within 48 hours of email notification from the Division that the product is in the warehouse. In the event licensee requests exceed the supplier allocation for Iowa, the Division will first try to meet demand by limiting quantities to each licensee on the list. If reducing quantities to the lowest common denominator of a bottle will still not satisfy demand, the product will be subjected to a lottery. The lottery will utilize an electronic randomizer to be fair and impartial.

Please remember that if you express interest and your store number is chosen in the lottery, you cannot refuse the product nor can you return the product. To review the Division's return policy, please visit <http://iowaabd.com/alcohol/licensees/returns>. If you have any questions concerning this matter, please contact Meghan O'Brien at OBrien@IowaABD.com.
