LOTTERY ACTION DELIVERS

## Do You Know Which Games Can Be <br> CANCHIDII?

Here's a review for everyone regarding which games' tickets can be cancelled and which ones cannot, plus an overview of the Ticket Allowance Program.

## Which Games Can Be Cancelled?

Tickets from the Pick 3 and Pick 4 games can be cancelled, but there are some rules to follow when cancelling. Tickets must be cancelled the same day in the same store where they were sold and before the sales cutoff time for the drawing for which they are eligible.

Follow this procedure to cancel a lotto ticket:

- Touch the "Cash/Cancel" tab on the main screen
- Touch "Cancel Ticket"
- Scan the bar code on the ticket using the document scanner or the scanner on the front of the printer. You may also manually enter the numbers using the keypad, then touch "OK" to accept the serial number and submit it for cancellation.

## Which Games Can't Be Cancelled?

You will NOT be able to cancel plays in the Powerball, Hot Lotto, Mega Millions or All or Nothing games.

If you run one of these tickets through the terminal, you will receive a prompt informing you that the ticket is not eligible to be cancelled. This includes jammed or misprinted tickets.

## Automatic Additional 0.1 Percent Allowance

The Iowa Lottery now issues to all on-line retailers an additional 0.1 percent of ALL lotto game sales added to the base commission rate of 5.5 percent each week. The 0.1 percent applies to all lotto games, not just the games that cannot be cancelled.

You will earn extra commission every week, even when you don't have any error tickets. Please do not sell any damaged or unreadable tickets, but you can sell non-damaged tickets to another customer.

A portion of Lottery proceeds go to the state general fund, which benefits education and many other projects.

## Know Where the Money Goes: How <br> Lottery Profits Have Helped The State

## When You Play The Lottery, Iowa Wins!

Since the lottery's start in 1985, its players have won more than $\$ 3.2$ billion in prizes while the lottery has raised more than $\$ 1.5$ billion for the state programs that benefit all Iowans. Today, lottery proceeds have three main purposes in Iowa. They provide:

- Support for veterans through the Iowa Veterans Trust Fund,
- Help for a variety of significant projects through the state general fund ${ }^{*}$, and
- Backing for the Vision Iowa program, which was implemented to create tourism destinations and community attractions in the state and build and repair schools.
*Since 1992, a majority of lottery profits have been directed into the state general fund, where they are used to pay for programs that benefit all Iowans. In its latest financial year, the Iowa Lottery raised $\$ 55.2$ million in proceeds that went to the state general fund. Some of the programs that receive money from the general fund include education, natural resources, health and family services and public safety. The Governor and Iowa Legislature allocate money from the general fund based on where they believe those funds are needed most. For more information on where the money goes, visit ialottery.com.
