## Just a Reminder...

### Return of Product

The Division would like to remind retailers that the decision to allow a return rests solely with the Division management. All returns shall be pre-authorized electronically.

Below are a few examples of merchandise returns for ordinary and usual commercial reasons which would be allowed by Division management, but are not limited to:

- Misorder/Incorrect Order
- Defective Product
- Damaged Product
- Driver Breakage

Please do not hesitate to reach out to Tim Iversen at [Iversen@IowaABD.com](mailto:Iversen@IowaABD.com) or 515.281.7406 with any questions regarding the return of product.

Again, this is a short, but important reminder as we continue to move forward in providing you helpful hints on matters that impact your business model.

## Temporary Peak Season Product Codes

In the past, you may have ordered your bulk buys and holiday VAPs by sending in a preorder to the Division and receiving delivery of your holiday items on specific Fridays in October. During this holiday season, you will be able to order holiday items as they become available in the warehouse for shipment and your bulk buys throughout the season for delivery with your regular liquor order. To minimize the need for you to purchase all your bulk buys at one time, you may also order these throughout the season for delivery with your regular order.

To further assist your ability to spread out your bulk buy purchases, holiday promos will run in two month increments: September/October and November/December. These two changes should allow you to better manage your inventory and buying patterns during peak season. Special price allowances (SPA) will still run monthly during the holiday season.

Certain holiday items may be limited to one case per customer to ensure everyone has the opportunity to stock in-demand VAPs and prevent one customer from securing all of our allocation. Certain holiday items will be treated like highly allocated products due to limited availability. You will receive notification of holiday item availability in weekly emails for the general VAPs but will need to be signed up for the highly allocated products notification list to receive information regarding the limited quantity VAPs. To sign up for the highly allocated product notification list please visit IowaABD.com.

Please note all below products have varied ship dates between September and November.
