WELCOME TO IOWA!

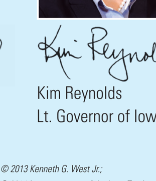
Thank you for this opportunity to welcome you to the great state of Iowa. More than 3 million folks call our state home. We're always happy to welcome visitors and pleased to show off everything our beautiful land has to offer.

While many know Iowa as a long-standing leader in agriculture, there's so much more to explore and discover. Iowans have expanded on our agricultural heritage to the fields of science and technology, making us a leader in education. Also grown out of our agricultural roots and fueled by technology is our desire to protect the environment through the exploration of energy options, including renewable fuels and wind energy.

Shining beyond our agricultural roots and bright technological future is our state's natural beauty, making it a main attraction for visitors and residents alike. As the only state bordered by two navigable waterways, Iowa offers vivid fall color to the east along the Mississippi River and majestic rolling hills along our Missouri River western edge. In between, our urban areas showcase the modern amenities that many desire, while the relaxed atmosphere of a small town is always only minutes away.

Whether you have come to Iowa to set down roots or just to explore, we invite you to enjoy the state by vehicle, bicycle, or on foot. With surprises around every corner, there truly is something for everyone in Iowa.

Sincerely,



Terry E. Branstad
Governor of Iowa

Kim Reynolds
Lt. Governor of Iowa
