

HOUSING IN IOWA: 2009

The Fair Housing Act was signed on April 11, 1968, just one week after the assassination of Dr. Martin Luther King, Jr. This landmark bill, Title VIII of the Civil Rights Act of 1968, resulted from the hard work and leadership of Dr. King and others in the civil rights movement and was an important step toward confronting discrimination against minorities in housing. To help celebrate this, April has been designated Fair Housing Month.
