**NEWS RELEASE**

FOR RELEASE \_\_\_\_\_ March 24, 2016 \_\_\_\_\_

Contact: Andy Nielsen  
515/281-5834

Auditor of State Mary Mosiman today released an agreed-upon procedures report on the City of Remsen, Iowa and the Remsen Municipal Utilities (Utilities) for the period July 1, 2014 through June 30, 2015. The agreed-upon procedures engagement was performed pursuant to Chapter 11.6 of the Code of Iowa.

Mosiman recommended the City and the Utilities review their control procedures to obtain the maximum internal control possible. The City should also establish procedures to ensure bank and investment balances are reconciled to the general ledger monthly. The City should consult legal counsel to determine the proper use of local option sales tax collections.

A copy of the agreed-upon procedures report is available for review in the City Clerk's Office, in the Office of Auditor of State and on the Auditor of State's web site at <http://auditor.iowa.gov/reports/1521-0700-BL0F.pdf>.

## Independent Accountant's Report on Applying Agreed-Upon Procedures

To the Honorable Mayor, Members of the City Council  
and Members of the Utilities Board of Trustees:

We have performed the procedures enumerated below which were established pursuant to Chapter 11.6 of the Code of Iowa enacted by the Iowa Legislature to provide oversight of certain Iowa cities. Accordingly, we have applied certain tests and procedures to selected accounting records and related information of the City of Remsen and the Remsen Municipal Utilities (Utilities) for the period July 1, 2014 through June 30, 2015. The City of Remsen's and the Utilities' management, which agreed to the performance of the procedures performed, are responsible for the City's and the Utilities' records, respectively.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed are summarized as follows:

1. We reviewed selected City Council and Utilities Board meeting minutes for compliance with Chapters 21, 372.13(6), 380 and 388 of the Code of Iowa.
2. We reviewed the City's and the Utilities' internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. We reviewed surety bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. We obtained and reviewed the City's and the Utilities' financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council and the Utilities Board.
5. We reviewed the City's and the Utilities' funds for consistency with the City Finance Committee's recommended Uniform Chart of Accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. We reviewed the City's fiscal year 2015 Annual Financial Report to determine whether it was completed and accurately reflects the City's financial information.
7. We reviewed investments to determine compliance with Chapter 12B of the Code of Iowa.
8. We reviewed compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa pertaining to required depository resolutions, investment policy and reporting of unclaimed property to the State of Iowa.

9. We reviewed debt, including general obligation and revenue bonds/notes, and related transactions for proper authorization and compliance with Chapters 75, 384 and 403.9 of the Code of Iowa and to determine whether the debt and related proceeds and repayments were properly accounted for.
10. We reviewed and tested selected tax increment financing (TIF) transactions, including receipts, disbursements and transfers, for compliance and accurate accounting, including compliance with the TIF reporting requirements of Chapter 384.22 of the Code of Iowa.
11. We reviewed the City's TIF debt certification forms filed with the County Auditor, including requests for collection of reduced TIF amounts and to decertify certain TIF obligations, as applicable, for proper support and compliance with Chapter 403.19(6) of the Code of Iowa.
12. We reviewed and tested selected receipts for accurate accounting and consistency with the recommended COA.
13. We reviewed and tested selected disbursements for proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended COA and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
14. We reviewed transfers between funds for propriety, proper authorization and accurate accounting.
15. We reviewed and tested selected payroll and related transactions for propriety, proper authorization and accurate accounting.
16. We reviewed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, we identified various recommendations for the City and the Utilities. Our recommendations are described in the Detailed Recommendations section of this report. Unless reported in the Detailed Recommendations, items of non-compliance were not noted during the performance of the specific procedures listed above. The City's recommendations are followed by the Utilities' recommendations.

These agreed upon procedures do not constitute an audit of financial statements or any part thereof, the objective of which is the expression of an opinion on the financial statements or a part thereof. Had we performed additional procedures, or had we performed an audit of the City of Remsen or the Utilities, additional matters might have come to our attention that would have been reported to you.

This report, a public record by law, is intended solely for the information and use of the officials, employees, citizens and customers of the City of Remsen and the Remsen Municipal Utilities and other parties to whom the City of Remsen and the Utilities may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the City of Remsen and the Utilities during the course of our agreed-upon procedures engagement. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

## **Detailed Recommendations**

City of Remsen and  
Remsen Municipal Utilities

Detailed Recommendations

For the period July 1, 2014 through June 30, 2015

**City:**

(A) Segregation of Duties – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. Generally, one individual has control over each of the following areas for the City:

- (1) Cash – handling, reconciling and recording.
- (2) Receipts – opening mail, collecting, depositing, journalizing, reconciling and posting.
- (3) Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
- (4) Utilities – billing, collecting, depositing and posting.
- (5) Long-term debt – handling, reconciling and recording.
- (6) Investments – handling, reconciling and recording.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

(B) Bank Reconciliations – The cash and investment balances in the City’s general ledger were reconciled to bank and investment account balances throughout the year. For the two months reviewed, there was no independent review of the monthly bank reconciliations.

Recommendation – The City should establish procedures to ensure an independent person reviews the reconciliations and the review is documented by the signature or initials of the reviewer and the date of the review.

(C) Certified Budget – Disbursements during the year ended June 30, 2015 exceeded the amounts budgeted in the public safety, general government and capital projects functions. Chapter 384.20 of the Code of Iowa states, in part, “Public monies may not be expended or encumbered except under an annual or continuing appropriation.”

Recommendation – The budget should have been amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements were allowed to exceed the budget.

(D) Disbursements – There was no evidence of City Council approval for 1 of 30 disbursements tested.

Recommendation – All disbursements should be approved by the City Council.

City of Remsen and  
Remsen Municipal Utilities

Detailed Recommendations

For the period July 1, 2014 through June 30, 2015

- (E) Separately Maintained Records – The Fire Department and Emergency Medical Technicians maintain separate accounting records for certain operations. These transactions and resulting balances are not included in the City’s accounting records.

Recommendation – Chapter 384.20 of the Code of Iowa states, in part, “A city shall keep accounts which show an accurate and detailed statement of all public funds collected, received, or expended for any city purpose.” For better accountability, financial and budgetary control, the financial activity and balances of all City accounts should be included in the City’s accounting records and be reported to the City Council on a monthly basis.

- (F) Journal Entries – Journal entries are not reviewed and approved by an independent individual.

Recommendation – An independent person should review and approve journal entries. Approval should be documented by signing or initialing and dating the journal entries.

- (G) Local Option Sales Tax (LOST) – The City receives LOST funds each year which are to be used in accordance with the LOST ballot. The ballot requires these funds to be used 100% for infrastructure and the City’s portion of the County Jail and Law Enforcement Center payments. During the year, the City disbursed LOST funds for equipment, repair, supplies and services. These uses of LOST do not appear to be in compliance with the ballot.

Recommendation – The City should consult legal counsel to determine the proper disposition of this matter.

- (H) Debt Covenants – The City is not in compliance with the sewer revenue debt covenants. Specifically, net revenues were not 110% of the principal and interest due.

Recommendation – The City should review the sewer revenue debt covenants and establish procedures to ensure the covenants are met.

- (I) Annual Urban Renewal Report – The City’s ending cash balance of the Special Revenue, Urban Renewal Tax Increment Fund reported on the Levy Authority Summary did not agree with the City’s general ledger and the amount restricted for low-to-moderate (LMI) assistance was not included.

Recommendation – The City should ensure the cash balance and the amount restricted for LMI assistance reported on the Levy Authority Summary agree with the City’s records.

City of Remsen and  
Remsen Municipal Utilities

Detailed Recommendations

For the period July 1, 2014 through June 30, 2015

**Utilities:**

- (A) Segregation of Duties – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. Generally, one individual has control over each of the following areas for the Utilities:

- (1) Cash – handling, reconciling and recording.
- (2) Receipts – opening mail, collecting, depositing, journalizing, reconciling and posting.
- (3) Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
- (4) Utilities – billing, collecting, depositing and posting.
- (5) Long-term debt – handling, reconciling and recording.
- (6) Investments – handling, reconciling and recording.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the Utilities should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including Board members. Independent reviews of reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

- (B) Bank Reconciliations – The cash and investment balances in the Utility’s general ledger were reconciled to bank and investment account balances throughout the year. For the two months reviewed, there was no independent review of the monthly bank reconciliations.

Recommendation – The Utilities should establish procedures to ensure an independent person reviews the reconciliations and documents the review by signing or initialing and dating the monthly reconciliations.

- (C) Journal Entries – Journal entries are not reviewed and approved by an independent individual.

Recommendation – An independent person should review and approve journal entries. Approval should be documented by signing or initialing and dating the journal entries.

- (D) Reconciliation of Utility Billings, Collections and Delinquent Accounts – While utility billings, collections and delinquent accounts were reconciled monthly, the beginning balance did not always agree to the prior month’s reconciliation ending balance. There is no evidence of independent review of the reconciliation.

Recommendation – As a part of the reconciliation process, the Utilities should ensure the beginning balance agrees to the ending balance from the prior month’s reconciliation. The Utilities Board or other independent person designated by the Utilities Board should review the reconciliations and sign or initial and date them to document the review.

City of Remsen and  
Remsen Municipal Utilities

Detailed Recommendations

For the period July 1, 2014 through June 30, 2015

- (E) Electric Billing Rates – The electric rates charged for the period September 15, 2014 to October 21, 2014 did not agree to the rates approved by the Utility Board of Trustees.

Recommendation – Procedures should be established to ensure all customers are billed at the rates approved by the Utility Board of Trustees.

- (F) Payroll – The amended pay rates approved by the Board did not match what was published in the minutes.

Recommendation – The Utilities should develop procedures to ensure the pay rates approved by the Board are correctly published in the minutes.
