STAGING NOTES

If the contractor wants to construct a temporary causeway the requirements of Standard Specifications Section 2547 shall be followed.

The Des Moines River is considered a Sovereign and Meandered River by the Iowa DNR. Because of this designation, the Contractor's debris removal equipment is not permitted to encroach into the river to perform work. If necessary, gaining employee access to the debris piles via a boat is permitted.

If a temporary causeway is constructed in the Des Moines River, DNR Conservation Officer Eric Hoffman shall be contacted at (641) 891-2004 prior to commencing the work. Sovereign Lands Construction Permit 16-039 has been acquired. All permits have been obtained.
