

Holiday Traffic Fatalities in Iowa - 1962 to 2015

Fatalities that occur at 6:00 PM or later of the day previous to the official holiday period through 5:59 AM of the day after the official holiday period are counted. For example, for the Memorial Day holiday weekend the period counted would be 6:00 PM Friday through 5:59 AM Tuesday morning.

Beginning in 1981, the number of days included in a holiday period was standardized as follows:

- 1 day if a holiday falls on a Wednesday
- 4 days if a holiday falls on a Tuesday or Thursday
- 3 days if the holiday falls on a Friday, Saturday, Sunday, or Monday

Year	New Year's			Memorial Weekend			Fourth of July			Labor Day Weekend			Thanksgiving			Christmas
