STATE OF IOWA

TERRY E. BRANSTAD, GOVERNOR
KIM REYNOLDS, LT. GOVERNOR

RACING AND GAMING COMMISSION
BRIAN J. OHORILKO, ADMINISTRATOR

January 12, 2017

The Honorable Terry Branstad
Governor, State of Iowa
State Capitol
Des Moines, IA 50319

Dear Governor Branstad:

It is my pleasure to have the opportunity to submit the 2016 Annual Report on behalf of the Iowa Racing and Gaming Commission (the "Commission"). As we mark the 25th anniversary of casino gaming in the state of Iowa, the Commission remains committed to maintaining a vibrant racing and gaming industry that provides economic growth and development for the State of Iowa while continuing to promote responsible gaming and ensuring continued participation in the "Buy Iowa First" program. As always, the integrity of the racing and gaming industry in Iowa remains as our highest priority.

Gaming revenues at the facilities increased approximately 1.5% during 2016. The industry generated more than \$317 million in overall taxes. In addition, over \$41 million was contributed this year to the non-profit licensees, independent of any contributions made directly to charitable organizations by the licensed operators. In short, the gaming industry has provided significant revenue to the state and helped fund numerous projects and programs on the local level.

The past year marked ongoing growth and commitment and capital investment to the industry. Rhythm City Casino, LLC completed its project in June moving the riverboat operation onto land. The \$110 million investment covers 40 acres of land and includes three restaurants, a 1500-seat event center, and a 106-room hotel, spa, and pool. Isle of Capri Bettendorf also moved its riverboat operation to land in June finishing up a \$60 million investment. That project sits within the current courtyard of the property and is integrated into the existing 509-room hotel and convention center. Additional amenities include a Farmers' Pick Buffet, bar, and stage to host live entertainment. Construction projects were also approved for the Hard Rock Hotel & Casino in Sioux City and the Ameristar Casino in Council Bluffs. Hard Rock will be investing \$6.5 million to expand its facility adding additional high-limit gaming and amenities such as a relaxation lounge with a wine bar and full-service kitchen. Ameristar is capitalizing \$5 million into its facility in an effort to expand its gaming footprint and allow for a more comfortable and spacious experience for guests.

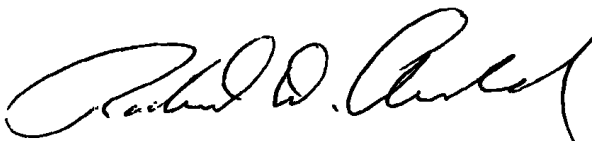

The Commission continued to take steps to implement legislation passed in 2016 and prior years. Specifically, discussions with industry participants took place to promulgate rules to assist with carrying out HF 2445 relating to promotional play receipts. All rules to effectively regulate HF 2445 are currently in place. In addition, the Commission continued to work through the various components of the greyhound cessation legislation. In 2016, distributions were made to industry participants that qualified for proceeds from the greyhound cessation fund. The first simulcast wagering agreement was also approved, as authorized pursuant to the legislation, between the Iowa Greyhound Association and Wild Rose Clinton allowing for an off-track simulcast site at Wild Rose Clinton. This operation is expected to open in the spring of 2017.

Lastly, in the fall of 2016, the Commission was made aware that a gaming application for a new casino was going to be filed for Linn County by Wild Rose Entertainment. At the November 17, 2016, Commission meeting, the Commission passed a motion to direct staff to prepare a RFP in an effort to select a vendor to conduct a market assessment of gaming in Iowa, and to accept applications for Linn County through February 13, 2017.

The Commission wishes to commend our Administrator, Brian Ohorilko and the entire Commission staff along with the DCI and the Attorney General's Office for providing the commissioners, the racing and gaming industry, and the public, thorough, timely, and accurate information and analysis.

It is a pleasure and privilege for me and the other commissioners to serve at your request on the Commission.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard D. Arnold". The signature is fluid and cursive, with a large initial "R" and "A".

Richard D. Arnold, Chair

LABORATORY TESTING

The Iowa Racing and Gaming Commission, through comprehensive drug testing of participating animals, strives to protect the integrity of the sport of racing in Iowa. Iowa's urine and blood testing program is the backbone of the agency's policing functions. The drug testing program was conducted by Iowa State University Veterinary and Diagnostic Laboratory, the Commission's racing chemist.

Through chemical analysis of urine and blood samples collected from racing animals at the tracks, the Commission ensures that foreign substances are not being administered to racing animals pursuant to Iowa Code Chapter 99D.25 and 99D.25A.

The following is a summary of the samples tested and positive tests reported by the Laboratory in 2016 for the Commission.

IOWA BREEDERS FUND

The Department of Agriculture maintains a database of thoroughbred and quarterhorses that have qualified to be Iowa-foaled horses, as well as greyhounds that have qualified as Iowa-whelped dogs according to Iowa Code Chapter 99D.22 and Administrative Rules of the Department of Agriculture and Land Stewardship.

An amount equal to 12% of the winner's share of any purse won by an Iowa-foaled horse or Iowa-whelped dog is withheld by the licensee from the breakage and paid at the end of the race meeting to the Department of Agriculture and Land Stewardship for redistribution as breeders' awards.

Iowa Code Chapter 99D.12 authorizes distribution of the remaining breakage as follows:

At horse tracks, 2% of the remaining breakage is distributed to the Horse Promotion Fund and the balance of the breakage at horse tracks is distributed as purse supplements to the owners of winning Iowa-bred horses.

The remainder of the breakage at greyhound tracks is divided, with 25% funding a stakes race restricted to registered Iowa-whelped greyhounds, 2% funding the Dog Promotion Fund and 73% distributed as purse supplements to the owners of winning Iowa-whelped greyhounds.

One percent of the exotic wagers, including 3 or more horses, dogs or races, is distributed as provided in 99D.12 above.

IOWA'S WAGERING DOLLAR

IOWA'S PARI-MUTUEL DOLLAR

Actual percentage withheld from each wagering dollar depends on the type of wager. Chapter 99D.11(5) authorizes takeout up to eighteen percent on win, place, and show wagers; twenty-four percent on doubles (two dogs/horses/races); and twenty-five percent on triples (3+dogs/horses/races). Pari-mutuel taxes may range from 0 to six percent on live races based on increasing levels of mutuel handle. Simulcast wagering is taxed at two percent of the pari-mutuel handle. (Chapter 99D.15)

Breakage (the odd cents by which the amount payable on each dollar wagered in a pari-mutuel pool exceeds a multiple of ten cents) is distributed to the owners and breeders of Iowa-foaled horses and Iowa-whelped dogs.

IOWA'S GAMING DOLLAR

Iowa's gaming industry consists of slot machines, table games, and other games of chance as authorized by the Commission. Slot machine statistics are kept on the total amount wagered and adjusted gross revenue. Each slot machine must have at least an eighty percent pay-out to the patron. Available data for table games includes the drop and the ratio of drop to the adjusted gross revenues.

The tax based on adjusted gross revenues from gambling games is: Up to \$1,000,000, five percent; above \$1,000,000 up to \$3,000,000, ten percent; above \$3,000,000 Excursion gambling boat and gambling structure – twenty-two percent; Racetrack enclosure in the same county as other licensees and issued a table games license but with adjusted gross receipts of less than \$100 million – twenty-two percent; Racetrack enclosure in the same county as other licensees, issued a table games license and with adjusted gross receipts of more than \$100 million – twenty-four percent and Racetrack enclosures with no other licensees in the same county – twenty-four percent.

This tax is distributed one-half of one percent each to the city and county, eight-tenths of one percent to the County Endowment Fund, two-tenths of one percent to the State Miscellaneous Fund and the remainder to designated state funds.

IOWA'S QUALIFIED SPONSORING ORGANIZATIONS

All of the commercial gaming operators in Iowa have an agreement with a qualified sponsoring organization licensed to conduct gambling games. Qualified sponsoring organizations are nonprofit corporations and receive a portion of their respective operators' gaming revenue as set forth in each agreement. These nonprofit license holders reinvest in numerous charitable and civic needs within and outside of their communities. A listing of each licensed nonprofit qualified sponsoring organization can be found on the Iowa Racing and Gaming Commission's website.
