Players Win Big 10 and Big 12 'Sports Fantasy' Trips

'Ultimate' Drawing is April 21

Two players who bought the ULTIMATE SPORTS FANTASY scratch ticket and sent in an "Entry" won trips to major college basketball tournaments in a Feb. 3 drawing.

- **Todd Dresch of Des Moines** has won a trip for two to Kansas City to attend the Big 12 men's basketball tournament.

- **Earl Nickols of Burlington** won a trip for two to Chicago to see the Big 10 men's basketball tournament.

These trips (worth over \$2,200 each) include three nights' accommodations, two tickets to all games, a travel allowance and spending cash!

A final "Ultimate Sports Fantasy" drawing will be held on April 21 for a \$26,000 "Ultimate Sports Fantasy" trip package. The player who wins this "ultimate" package will take a trip to the sporting event they've always dreamed of attending! Entries for the final drawing are due by April 19. Ticket deliveries to retailers will end March 25.

Players can win two ways playing the ULTIMATE SPORTS FANTASY scratch ticket:

- 1) When they scratch the ticket, they can win up to \$300 cash or a \$13,000 sports fantasy package **instantly**.
- 2) If they win an "Entry," they can enter the second-chance drawing to win an "Ultimate Sports Fantasy" trip worth \$26,000!

Players can use the "Sports Fantasy" packages to attend events like the college basketball championships, the NFL championship (the biggest Bowl of them all!), golf's greatest invitational or Indianapolis' 500-mile race.

Remind players to enter this final drawing by April 19. 🍀

Did You Know...?

How are large lottery prizes claimed? Do the winners have to come to Des Moines?

Subject to cash availability, retailers are asked to pay up to \$600. For prizes over \$600—or any prize except a jackpot for that matter—players may mail their signed winning ticket with a claim form to the Iowa Lottery headquarters.

Players may also cash winning tickets at any of the lottery's regional offices located in Des Moines, Cedar Rapids, Mason City, Storm Lake and Council Bluffs. Check the lotto brochure or www.ialottery.com for addresses.

Jackpot prizes must be claimed in Des Moines. 🍀

Stop Underage Players From Buying With Signs

Retailers should have received (or will soon be receiving) an updated "Under 21 sign" from the Iowa Lottery, the Iowa Grocery Industry Association and the Petroleum Marketers and Convenience Stores of Iowa. The Iowa Lottery is committed to ensuring that only legal-aged people purchase lottery tickets and retailers have been doing a good job in helping us achieve that goal. The orange signs list the year a person must be born on or before in order to purchase either lottery products, liquor or tobacco. We appreciate retailers' vigilance in preventing underage sales. 🍀

Bellevue Woman Ends 'Bad Luck' Curse With \$100,000 Powerball Win

A northeast Iowa woman thinks her bad luck days might be over.

Lori Behrens of Bellevue won \$100,000 in the Dec. 22 Powerball® drawing. She purchased her ticket at the 16th Street Auto/Truck Plaza, 1215 E. Sixteenth St. in Dubuque.

Lori Behrens of Bellevue

Behrens just recently claimed her prize at the Iowa Lottery's regional office in Cedar Rapids.

She said she had no idea that she had purchased a winning ticket until the stack of tickets she and her husband had purchased started to catch up with them.

"It was just before Christmas [when I bought the ticket]," she said. "I've had it for over a month and didn't know it. We were just checking [our tickets] on the computer and found out through the Internet."

.....
"Actually, I was born on Friday the 13th. My nickname has always been 'Bad Luck Lori.' So, I'm probably going to drop the 'Bad Luck' and just be Lori!"

—Lori Behrens

.....

Lori," she laughed. "I think it's an upward slide now. I will have fun with it."

The winning Powerball numbers for the Dec. 22 drawing were: 2-7-11-24-31. The Powerball was 18. The Power Play^a multiplier was 5.

If Behrens had chosen to play the Power Play, she would have won half a million dollars. 🍀

Despite her big win, Behrens hasn't always considered herself a lucky person.

"Actually, I was born on Friday the 13th. My nickname has always been 'Bad Luck Lori.' So, I'm probably going to drop the 'Bad Luck' and just be

Players Can Get Power Pack Through March 5

For two weeks beginning Feb. 20, Iowa Lottery players can purchase \$3 in Powerball with a \$3 Power Play on one ticket and pay only \$5.

The lottery's "Power Pack" offer will be good on qualifying plays purchased through March 5.

Use Shortcut To Sell Power Pack

Retailers should use the Extrema icon on the main screen or the "Power Pack" choice on the SciScan 3000 to sell the Power Pack. On the Extrema, all clerks have to do is touch the yellow "Power Pack" icon. The terminal will ask them, "Are you sure you want to purchase the Powerball ticket?" When they choose "yes," the \$3 Powerball with a \$3 Power Play ticket will print. On the SciScan 3000, clerks should choose "01-Online Sale" and then "06-Power Pack" to make the sale. The SciScan will also ask for confirmation of "F1-Yes" or "F2-No" before printing the ticket.

Deal Applies to All Plays On One Ticket

If a player purchases more than this minimum purchase, they'll still receive \$1 off their purchase as long as the play is on one ticket. For example, if a player purchases \$5 in Powerball with a \$5 Power Play (\$10 total value), they'd receive \$1 off so the plays would cost \$9. They just need to make that minimum \$3 Powerball with a \$3 Power Play purchase to be eligible to receive the \$1-off discount. This offer will also work if a player uses a play slip or if the clerk makes a manual entry, as long as the player makes the minimum purchase and the play is on one ticket. 🍀

'Super Cashman' Pull-tab Here to Save The Day!

"Super Cashman" hopes to rescue some big sales for you!

Play by peeling apart the five tabs located on the back of the ticket. Three symbols are printed under each tab. Check all five tab areas. If three consecutive symbols printed vertically or diagonally under any of the tabs match identically any of the winning combinations shown on the ticket front, the player wins the corresponding prize. The arrow connecting the symbols indicates you are a winner. 🍀
