Independent Accountant's Report on Applying Agreed-Upon Procedures

To the Honorable Mayor and Members of the City Council:

We have performed the procedures enumerated below which were established pursuant to Chapter 11.6 of the Code of Iowa enacted by the Iowa Legislature to provide oversight of certain Iowa cities. Accordingly, we have applied certain tests and procedures to selected accounting records and related information of the City of Mount Ayr for the period July 1, 2015 through June 30, 2016. The City of Mount Ayr's management, which agreed to the performance of the procedures performed, is responsible for the City's records.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed are summarized as follows:

1. We reviewed selected City Council meeting minutes for compliance with Chapters 21, 372.13(6) and 380 of the Code of Iowa.
2. We reviewed the City's internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. We reviewed surety bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. We obtained and reviewed the City Clerk's financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council.
5. We reviewed City funds for consistency with the City Finance Committee's recommended Uniform Chart of Accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. We reviewed the City's fiscal year 2016 Annual Financial Report to determine whether it was completed and accurately reflects the City's financial information.
7. We reviewed investments to determine compliance with Chapter 12B of the Code of Iowa.
8. We reviewed compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa pertaining to required depository resolutions, investment policy and reporting of unclaimed property to the State of Iowa.

9. We reviewed debt, including general obligation and revenue bonds/notes, and related transactions for proper authorization and compliance with Chapters 75, 384 and 403.9 of the Code of Iowa and to determine whether the debt and related proceeds and repayments were properly accounted for.
10. We reviewed and tested selected tax increment financing (TIF) transactions, including receipts, disbursements and transfers, for compliance and accurate accounting, including compliance with the TIF reporting requirements of Chapter 384.22 of the Code of Iowa.
11. We reviewed the City's TIF debt certification forms filed with the County Auditor, including requests for collection of reduced TIF amounts and to decertify certain TIF obligations, as applicable, for proper support and compliance with Chapter 403.19(6) of the Code of Iowa.
12. We reviewed and tested selected receipts for accurate accounting and consistency with the recommended COA.
13. We reviewed and tested selected disbursements for proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended COA and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
14. We reviewed transfers between funds for propriety, proper authorization and accurate accounting.
15. We reviewed and tested selected payroll and related transactions for propriety, proper authorization and accurate accounting.
16. We reviewed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, we identified various recommendations for the City. Our recommendations are described in the Detailed Recommendations section of this report. Unless reported in the Detailed Recommendations, items of non-compliance were not noted during the performance of the specific procedures listed above.

These agreed-upon procedures do not constitute an audit of financial statements or any part thereof, the objective of which is the expression of an opinion on the financial statements or a part thereof. Had we performed additional procedures, or had we performed an audit of the City of Mount Ayr, additional matters might have come to our attention that would have been reported to you.

This report, a public record by law, is intended solely for the information and use of the officials, employees and citizens of the City of Mount Ayr and other parties to whom the City of Mount Ayr may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the City of Mount Ayr during the course of our agreed-upon procedures engagement. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

Detailed Recommendations

City of Mount Ayr

Detailed Recommendations

For the period July 1, 2015 through June 30, 2016

(A) Segregation of Duties – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. Generally, one individual has control over each of the following areas for the City:

- (1) Cash – reconciling bank accounts, initiating cash receipt and disbursement transactions and handling and recording cash.
- (2) Investments – detailed recordkeeping, custody of investments and reconciling earnings.
- (3) Receipts – opening mail, collecting, depositing, recording, reconciling and posting.
- (4) Utilities – billing, collecting, depositing, posting and reconciling.
- (5) Long-term debt – recordkeeping and reconciling.
- (6) Disbursements – invoice processing, check writing, reconciling and recording.
- (7) Financial reporting – preparing and reviewing.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

(B) Bank Reconciliations – The City’s bank reconciliations were not reviewed by an independent person.

Recommendation – The City should establish procedures to ensure the bank reconciliations are reviewed by an independent person. The reviews should be documented by the signature or initials of the reviewer and the date of the review.

(C) Reconciliation of Utility Billings, Collections and Delinquent Accounts – The City’s reconciliations of utility billings, collections and delinquent accounts were not reviewed by an independent person.

Recommendation – Procedures should be established to have an independent person or a Council member review the reconciliations and monitor delinquent accounts each month. The review of the reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

(D) Business Transactions – Business transactions between the City and City officials or employees which may represent conflicts of interest are detailed as follows:

Name, Title and Business Connection	Transaction Description	Amount
Brad Elliott, City Council Member, co-owner of Podium Inks	Trash bin decals and Little League t-shirts and jerseys	\$ 5,383

City of Mount Ayr

Detailed Recommendations

For the period July 1, 2015 through June 30, 2016

In accordance with Chapter 362.5(3)(k) of the Code of Iowa, the above transactions may represent a conflict of interest since total transactions were more than \$2,500 during the fiscal year and the transactions were not competitively bid.

Recommendation – The City should consult legal counsel to determine the disposition of this matter.

- (E) Library Disbursements – Invoices and other supporting documentation for the Library were not always available to support disbursements. Supporting documentation for one of five transactions tested could not be located.

Recommendation – All disbursements should be supported by invoices or other supporting documentation.
