MA Massachusetts	535	RI Rhode Island	43	QC Quebec	31
MD Maryland	686	SC South Carolina	905	SK Saskatchewan	96
ME Maine	144	SD South Dakota	1,135		

This chart has been designed to assist those registering as a new carrier, who does not have any actual distance to report for the current reporting period. The average per vehicle distance in the chart for each jurisdiction is a per vehicle figure. To estimate mileage, the chart distance must be multiplied by the total number of power units in the fleet.
