Public meeting to discuss permitting for potential energy facility

MEDIA CONTACT: Eric Wiklund, DNR, at 515-725-0313 or eric.wiklund@dnr.iowa.gov, or Joe Griffin, DNR, at 515-725-8417 or joe.griffin@dnr.iowa.gov.

MONONA — The DNR will hold a public meeting Oct. 11 to discuss a stormwater construction permit for the Walz Energy facility near Monona.

The meeting will run from 4 to 6 p.m. at the Elkader City Hall, at 207 N. Main St.

At the meeting, the DNR will discuss the facility's individual stormwater permit for soil-disturbing activities during construction.

DNR enforcement actions

MEDIA CONTACT: Ed Tormey, DNR, at 515-725-8373 or Ed.Tormey@dnr.iowa.gov.

DES MOINES – DNR staff work with individuals, businesses and communities to help them protect our natural resources by complying with state and federal laws. This approach is very effective. In the few cases where compliance cannot be achieved, the DNR issues enforcement actions. The following list summarizes recent enforcement actions. Find the entire, original orders on DNR's website at www.iowadnr.gov/InsideDNR/AboutDNR/EnforcementActions.aspx.

Consent Orders

A consent order is issued as an alternative to issuing an administrative order. A consent order indicates that the DNR has voluntarily entered into a legally enforceable agreement with the other party.

Poweshiek County

Jim Knoblauch

Cease open dumping of solid wastes and pay \$2,000 penalty.

Wappello County

James D. Olchefski and Robert Nicholson, dba Hidden Valley Mobile Home Park
Consent Amendment to Administrative Order No. 2016-AQ-20/2016-SW-14: Pay \$5,000
penalty and submit Plan of Action detailing steps to be taken when demolishing trailers at
mobile home park.

Administrative Orders

Responsible parties have 30 days to appeal the order or 60 days to pay the penalty.

Sac County

Michael Maccumber

Submit complete manure management plan and overdue fees and pay \$10,000 penalty for
history of noncompliance with Iowa's manure management plan requirements.

Winnebago County

Gary Roemhildt

Comply with asbestos NESHAP requirements, properly manage all remaining asbestos
containing material, and pay \$10,000 penalty for asbestos removal violations at the old Rake
School Building.
