STATE OF IOWA

OFFICE FOR PLANNING & PROGRAMMING  
523 East 12th Street  
Des Moines, Iowa 50319

The project which this publication is based upon was performed pursuant to Contract No. 297-74-0007 with the Public Health, Education, and Welfare.

This is designed to provide a summary of services available to assist in the placement or recruitment of health personnel in Iowa. It is provided as a part of the

Health Personnel  
Information Services System

Health Discipline: All health professions

Organizations: Office for Planning and Programming  
Health Personnel Information Services System

Services Available:

1. Maintain computerized files and exchange information between:

- health personnel of any type seeking practices or positions in Iowa.
- communities, institutions or other employers in Iowa with positions or practices available for health care personnel.

Information will be exchanged between positions or practices available and personnel seeking a practice or position with similar characteristics.

Cost: Until 2/15/77, no charge.  
After 2/15/77, a user's fee will be charged, fee has not been determined.
