SPA Name: Establish/Enforce child support orders (CSRU)

SPA Description:

Child Support Recovery assists families of Iowa to achieve and maintain financial self-sufficiency by establishing and enforcing child and medical support orders, and by processing support payments. It is a national leader and ranks consistently among the top ten states in overall performance. CSRU establishes paternity and child support orders to establish a legal obligation for both parents to provide for their children. The goal of the program is to assist custodial parents to receive court-ordered child support payments, and to assist in determining paternity in out-of-wedlock births. Recoveries assist taxpayers by helping to reimburse government costs for custodial parents who receive public assistance. CSRU enforces the obligation to pay for over 606,450 individuals collecting over \$323.6 million for Iowans through the processing nearly 3 million payments per year.

SPA Number: 413_22021

SPA Name: PROMISE JOBS - Promoting independence and self-sufficiency through employment job opportunities and basic skills.

SPA Description:

Provides training, education and employment services to families receiving cash assistance under the Family Investment program (FIP). PROMISE JOBS (Promoting Independence and Self Sufficiency through Employment) helps families become more economically self-sufficient and avoid long-term dependence on public assistance. Participation in PROMISE JOBS is required for most FIP recipients. Participants develop a Family Investment Agreement (FIA) that outlines what steps they will take to leave public assistance. Each FIA is individualized to a participant's needs. Persons who fail to participate or fail to comply with their FIA are considered to have chosen a Limited Benefit Plan (LBP), and lose their FIP benefits. Services include intensive job search activities for finding employment; employment; work experience or unpaid community service; basic education, including assistance with high school completion, GED, adult basic education, and English-as-a-second-language; post-secondary training; parenting skills improvement training; family development services to assist families in overcoming significant barriers to self-sufficiency; life skills training to support money management, nutrition, parenting information, and developing community resources; and some limited financial assistance for transportation and childcare, depending on the activity and available funding. Services are currently provided under a contract with the Iowa Department of Workforce Development. These services enable the state to meet federally mandated work participation requirements as a condition for receiving approximately \$131 million in federal funds annually under the Temporary Assistance for Needy Families (TANF) block grant. In SFY10, a monthly average of 14,527 persons were served through PROMISE JOBS.

SPA Name: Food Assistance Program

SPA Description:

Food Assistance (FA), also known as Supplemental Nutrition Assistance Program (SNAP), is a federally funded program that provides food or benefits to purchase food for low-income Iowans. Food Assistance benefits assure low-income Iowans have access to food. Benefits may only be used to purchase unprepared food and non-alcoholic beverages. All food Assistance transactions occur electronically on Electronic Benefit Transfer (EBT) cards. The card does not have cash benefits and will not work at ATMs. The U.S. Department of Agriculture has estimated that every \$5 of benefits generates \$9 in local and state economic activity. Food Assistance outreach programs provide information on the nutritional benefits of Food Assistance; break down barriers to enrollment in the Food Assistance program; enhance partnerships; and increase older adult participation. Both outreach projects incorporate local volunteers who are thoroughly trained to provide the correct information. Since Implementation of outreach in FY 09 the percent of older Iowans receiving FA has increased from 5.9% to 7.3% of all Iowans receiving FA.

SPA Name: Health Insurance Premium Payment (HIPP) Program

SPA Description:

Reduces Medicaid costs by obtaining or maintaining health insurance coverage for Medicaid-eligible persons, through the payment of third-party insurance premiums for third party coverage, through an employer or individual health plan, when it is determined cost-effective to do so. This allows the family to maintain a connection with the private insurance market and the other coverage then becomes the primary payer of their medical care. Provides health insurance for approximately 8,090 people on 1,966 Medicaid cases per month.

<u>PM</u>	<u>Performance Measure</u>	<u>SFY17 Target</u>	<u>Strategy</u>
97	Number of Medicaid-eligible individuals who use employer provided insurance through HIPP.	3,500	Increase program awareness.
