Nonresident Hunting Update

Conservation and Recreation

February 10, 2018

Extra nonresident turkey tags now on sale

We invite you to come to Iowa for spring turkey hunting! Excess nonresident spring turkey tags are on sale now.

Check [availability](#) before going [online](#) to purchase. Zone map information and season dates can be found in the nonresident turkey [application guide](#). If you applied for a spring turkey tag, check out [this year's results](#) on the DNR's nonresident hunting page.

You can also visit our [special nonresident hunting page](#) for complete regulations, maps and other important information to help you be successful when hunting in Iowa. Please note, licenses are sold on a first-come, first-serve basis until quotas are filled, and a nonresident hunting license and habitat fee are required to hunt in Iowa along with the turkey tag.

Limited Quantities:

Less than **20 tags** left for the following zones and seasons:

- **Zone 5, Season 1**
- **Zone 5, Season 4**
- **Zone 8, Season 1**
- **Zone 8, Season 3**

Muzzleloader Insider: Hunters who choose to purchase a muzzleloader tag for turkey can still hunt in any of Iowa's closed zone/season combinations. Currently, 140 muzzleloader tags are available and hunters can select their zone and season of choice at check-out.

Get the most out of your license by starting early this spring. We hope you enjoy hunting in Iowa!
