Welcome to the Labor Market Information Division

The Labor Market Information (LMI) Division collects, analyzes and prepares a wide array of labor market data including: employment, industry and occupational statistics, wages, projections, trends and other workforce characteristics. This information is reported for the State of Iowa as a whole as well as for other geographic areas within the State.

The LMI Division works in cooperation with the United States Department of Labor's Bureau of Labor Statistics (BLS) and Employment and Training Administration (ETA) along with the United States Census Bureau. The Labor Market Information website is financed by the ETA.

**Local Labor Force Summary Data Tool**

The tool below provides a summary for the State of Iowa labor force statistics which include: number of individuals in the labor force, unemployed, employed and the unemployment rate by month. To view historical data, change the year selected in the drop-down menu below the table. Navigating between the three tabs at the top of the frame will provide data for other geographies other than the State of Iowa.
