Independent Accountant's Report on Applying Agreed-Up Procedures

To the Honorable Mayor and Members of the City Council:

We have performed the procedures enumerated below which were established pursuant to Chapter 11.6 of the Code of Iowa enacted by the Iowa Legislature to provide oversight of certain Iowa cities. Accordingly, we have applied certain tests and procedures to selected accounting records and related information of the City of Monroe for the period July 1, 2016 through June 30, 2017, including procedures related to the City's compliance with certain Code of Iowa requirements identified below. The City of Monroe's management, which agreed to the performance of the procedures performed, is responsible for compliance with these requirements and for the City's records.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed are summarized as follows:

1. We reviewed selected City Council meeting minutes for compliance with Chapters 21, 372.13(6) and 380 of the Code of Iowa.
2. We reviewed the City's internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. We reviewed surety bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. We obtained and reviewed the City Clerk's financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council.
5. We reviewed City funds for consistency with the City Finance Committee's recommended Uniform Chart of Accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. We reviewed the City's fiscal year 2017 Annual Financial Report to determine whether it was completed and accurately reflects the City's financial information.
7. We reviewed investments to determine compliance with Chapter 12B of the Code of Iowa.
8. We reviewed compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa pertaining to required depository resolutions, investment policy and reporting of unclaimed property to the State of Iowa.

9. We reviewed general obligation and revenue bonds/notes debt, and related transactions for proper authorization and compliance with Chapters 75, 384 and 403.9 of the Code of Iowa and to determine whether the debt and related proceeds and repayments were properly accounted for.
10. We reviewed and tested selected tax increment financing (TIF) transactions, including receipts, disbursements and transfers, for compliance and accurate accounting, including compliance with the TIF reporting requirements of Chapter 384.22 of the Code of Iowa.
11. We reviewed the City's TIF debt certification forms filed with the County Auditor, including requests for collection of reduced TIF amounts and to decertify certain TIF obligations, as applicable, for proper support and compliance with Chapter 403.19(6) of the Code of Iowa.
12. We reviewed and tested selected receipts for accurate accounting and consistency with the recommended COA.
13. We reviewed and tested selected disbursements for proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended COA and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
14. We reviewed transfers between funds for propriety, proper authorization and accurate accounting.
15. We reviewed and tested selected payroll and related transactions for propriety, proper authorization and accurate accounting.
16. We reviewed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, we identified various recommendations for the City. Our recommendations are described in the Detailed Recommendations section of this report. Unless reported in the Detailed Recommendations, items of non-compliance were not noted during the performance of the specific procedures listed above.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on specific accounting records and related information of the City, including compliance with specific Code of Iowa requirements. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is to report, in accordance with Chapter 11.6 of the Code of Iowa, certain agreed-upon procedures and the resulting recommendations pertaining to selected accounting records and related information of the City, including the City's compliance with certain Code of Iowa requirements. This report is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the City of Monroe during the course of our agreed-upon procedures engagement. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

## **Detailed Recommendations**

City of Monroe

Detailed Recommendations

For the period July 1, 2016 through June 30, 2017

- (A) Segregation of Duties – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. Generally, one individual has control over each of the following areas for the City:
- (1) Cash – mail opening, handling, reconciling and recording.
  - (2) Investments – recordkeeping, investing, custody of investments and reconciling earnings.
  - (3) Receipts – collecting, recording, depositing, reconciling and maintaining accounts receivable records.
  - (4) Debt – recordkeeping, compliance and payment processing.
  - (5) Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
  - (6) Payroll – recordkeeping, preparing and distributing.
  - (7) Computer system – performing all general accounting functions, controlling all data input and output and having custody of assets.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

- (B) Certified Budget – Disbursements during the year ended June 30, 2017 exceeded the amounts budgeted in the health and social services and capital projects functions before the budget was amended on May 8, 2017. Chapter 384.20 of the Code of Iowa states, in part, “Public monies may not be expended or encumbered except under an annual or continuing appropriation.”

Recommendation – The budget should have been amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements were allowed to exceed the budget.

- (C) Reconciliation of Ambulance Billings, Collections and Delinquent Accounts – The City’s ambulance billings are prepared by another City. The ambulance billings, collections and delinquent accounts were not reconciled throughout the year and a delinquent account listing was not maintained and reviewed monthly.

Recommendation – Procedures should be established to reconcile ambulance billings, collections and delinquent accounts for each billing period. A listing of delinquent accounts should be maintained and reviewed monthly. The City Council or other independent person designated by the City Council should review the reconciliations and monitor delinquent accounts. The review should be documented by the signature or initials of the reviewer and the date of the review.

Detailed Recommendations

For the period July 1, 2016 through June 30, 2017

- (D) Financial Condition – At June 30, 2017, the City had a deficit balance of \$3,795 in the Special Revenue, Tax Increment Financing Fund.

Recommendation – The City should investigate alternatives to eliminate the deficit to return this fund to a sound financial position.

- (E) Annual Urban Renewal Report – The City understated the amount reported as TIF debt outstanding on the fiscal year 2016 Annual Urban Renewal Report (AURR). A \$20,000 internal TIF loan was excluded from the AURR Levy Authority Summary.

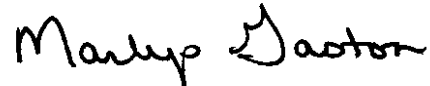

Recommendation – The City should ensure the debt reported on the Levy Authority Summary is complete and accurate.
