Air Quality permits under review

MEDIA CONTACT: MEDIA CONTACT: Lori Hanson, DNR, at 515-725-9525 or Lori.Hanson@dnr.iowa.gov for Title V permits; or Sarah Piziali, DNR, at 515-725-9549 or Sarah.Piziali@dnr.iowa.gov for construction permits.

DES MOINES – The DNR Air Quality Bureau has the following draft permits up for review. The permits help protect Iowans' health and the air where we live. DNR's permitting staff review the applications to ensure facilities comply with state and federal air quality standards. The public has the right and is encouraged to comment on draft permits. DNR considers [public comments](#) before finalizing the permits. Submit comments in writing to the assigned permit writer before 4:30 p.m. on the last day of the public comment period.

Title V Operating Permits

Title V Operating permits are reviewed and re-issued every five years. Facilities with a Title V permit have the potential to emit large amounts of air pollutants compared to other facilities. The five-year reviews are a federal requirement and ensure adequate monitoring is included in the permit. The DNR plans to issue Title V Operating Permits for the following facilities. Find permit details at www.iowadnr.gov/titlev-draft.

Muscatine County

MidAmerican Energy Co. - Louisa Station located at 8602 172nd Street, Muscatine.

The application was submitted to operate their existing Electric Services facility. The public comment period ends August 4, 2018.

Keokuk County, Iowa

Natural Gas Pipeline Co of America-Station 205 located at [1155 200th Street, Keota, IA 52248](#).

The renewal application was submitted by Natural Gas Pipeline Company of America to operate their existing Natural Gas Compressor facility. The public comment periods ends August 4.

Construction Permits

DNR engineers review and issue construction permits to facilities before they build new or modified sources of air pollution. The public may review the following air quality construction permits available online at www.iowadnr.gov/airpermitsearch.

Monroe County

Cargill Corn Milling - [Eddyville, 17540 Monroe-Wapello Rd.](#), Eddyville.

Project 18-098, Modification of permits to increase ethanol manufacturing capacity.

Public comment period ends August 4, 2018
