## 76th ANNUAL PHOTOGRAPHY SALON

I would like to *personally* thank our *sponsors* and our *advertisers* for their contributions this year. Many of our *awards* simply would NOT be possible *without* the support of our *sponsors*. This *book* would also NOT be possible *without* the support of our *advertisers*. The *staff* at

University Photo deserves a very *special* recognition for *donating* their *time* and *effort* to scan and edit *each* and *every one* of the 197 *award winning* photographs inside this book. What makes *their* effort even *more* incredible is the fact that *they* did all of *this* in the middle of a *flood* that left *almost* a foot of water inside *their* business. There are *not* enough *words* to express *my* gratitude for *their* dedication.

We had 1,070 *photographers* enter the competition this year. Of the 1,070 *photographers* who entered, 517 (48%) have *at least* one photograph on display. Of the 914 *adults* who entered, 440 (48%) have *at least* one photograph on display. Of the 156 *youth* who entered, 77 (49%) have *at least* one photograph on display.

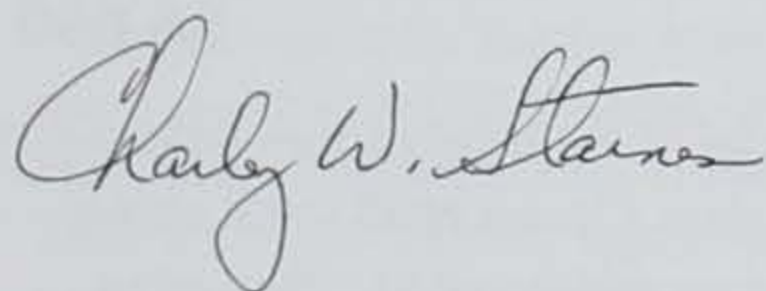

These very *talented* and *creative* photographers submitted a total of 3,330 *photographs*. Of the 3,330 *photographs* entered, 806 (24%) were selected for display. Of the 2,932 *photographs* submitted by *adults*, 695 (24%) were selected for display. Of the 398 *photographs* submitted by *youth*, 111 (28%) were selected for display.

While the Photography Salon is *one* of the most *popular* exhibits at the fair, it is also *by far* the most *competitive* event at the Iowa State Fair. The numbers above *only* give you a *brief* glance into how *competitive* it really is. For *photographers* to have even *one* photograph on display is a *huge* accomplishment. Of the 1,070 *photographers* who entered: 305 (29%) have *one* photo on display, 139 (13%) have *two* photos on display, 69 (6%) have *three* photos on display, and 4 (.4%) have *four* photos on display. Congratulations to Ken DePue, Jenna Krause, Jerry Ranch, and Terry Van Oort for having *all* four photos on display and receiving the Superintendent's Merit Award for Photographic Excellence.

I would like to *personally* thank our *three* Judges for all *their* hard work, time and effort. We ended up doing 13 *rounds* of judging this year. The judges looked at *every* photograph that was entered *at least* three different times *before* making *their* final decisions. They also looked at *every* photograph that made it 'In the Show' *at least* twice for a *possible* award. All *their* hard work and *dedication* has resulted in an *amazing* display of *photographs*.

*Nothing Compares* to my *dedicated* staff and a *host* of volunteers. It would be *impossible* to do this each year *without* their help and support. I would *also* like to thank the Iowa State Fair Entry Department and the *summer interns* who processed *all* 1,070 entry forms.

I *sincerely* hope that you enjoy looking at the *incredible* 197 *award winning* photographs inside this year's 76th Annual Iowa State Fair Photography Salon book. Have a great time at the fair!

Charley W. Starnes, Superintendent  
Iowa State Fair Photography Salon

## STEFFANY KING

Steffany King is an art educator at Dubuque Senior High School in Dubuque, IA. Steffany has been teaching photography for 24 years. King has a Bachelor of Fine Arts degree in Art with an emphasis in Photography and Graphic Design. Steffany teaches film and digital photography by focusing on incorporating the elements and principles of design in both the subject matter and conceptual imagery. Her students are challenged with teacher research based and student generated projects. King also teaches photography for the local College for Kids program and leads workshops for elementary school class projects at Prescott Elementary School in Dubuque, IA.

King was originally drawn to the camera when she was ten years old. In college Steffany found her love and passion for 2¼" medium format film cameras. She was inspired by the beauty of detail which comes from larger format negatives. King enjoys taking photographs for weddings, portraits, sports, and a wide variety of photojournalism events that are published each year in the Dubuque Senior High School yearbook. Steffany is drawn towards work which challenges the viewer to look at the technical skill, interest in the subject matter, and conceptual ideas used to create each unique image. King hopes that the photographs on display will challenge you to push your own photographic standards to a much higher level.

Taylor proudly served his country after college by joining the United States Army. After leaving the Army and returning to Iowa, Warren was immediately hired on as a full-time Staff Photographer and Photojournalist for *The Des Moines Register*. After almost four decades, Taylor has photographed more major events than even he can remember. During his career, Warren photographed everything from major breaking news stories and sporting events to the national political conventions and the 2000 Sydney Olympics. ## HOW TO ENTER

Entry Rules and Entry Forms will be available *online* at [www.iowastatefair.org](http://www.iowastatefair.org) by April 1, 2016. Read next year's Entry Form carefully. There may be *additional* changes in the *entry rules* and *deadlines*.

## ENTRY RULES

1. **JURIED COMPETITION:** Only those photos *selected* by the panel of judges will be *exhibited*.
2. **ELIGIBILITY:** Photos previously *exhibited* at the Iowa State Fair are NOT eligible for entry.
3. **ORIGINALITY:** Photographers *must* use their *own* ideas and concepts when creating their photos. Do NOT *copy, duplicate or replicate* the *ideas* of other photographers or previous winners.
4. **ENTRIES:** Each *photographer* can enter up to *four* photos. There is a *limit* of *one* photo *per* class.
5. **CLASSES:** Classes are *determined* by the *main subject* matter of each photo. The *same* photo or *similar* photo CANNOT be entered in multiple classes. To *increase* your chances of being *exhibited*, your photos should be of *entirely different* subjects.
6. **PHOTO BACKING:** All photos *must* be *mounted* on 11" x 14" *foam core* that is *at least* 1/8" thick. Exception: Photos in the panoramic class *must* be *mounted* on 7" x 20" *foam core* that is *at least* 1/8" thick. Do NOT use mat board or styrene. (NOTE: Due to the heat and humidity, it is *highly* recommended that photos be *dry mounted*. Available at most art supply stores and frame shops.)
7. **PHOTO SIZE:** Photos can be any size up to and including 11" x 14", but *must* be *mounted* per Rule #6.
8. **MATS:** We judge your photo NOT the mat. Mat colors should NOT compete with your photo.
9. **TITLES:** We judge your photo NOT the title. Please *limit* titles to three or four words.
10. **ENTRY:** Your name, photo title, date of photo, and other text must NOT appear on front of entry.
11. **PRESENTATION:** All photos must be *unframed*. There should be NO hooks or wires attached to the back of entries. Do NOT cover entry with cellophane, acetate, or glass. There should be NO spray adhesive or self-stick adhesive *exposed* that could *damage* another person's photo.
12. **REPRODUCTION:** Iowa State Fair reserves the right to reproduce in any form any work submitted.
13. **LOSS OR DAMAGE:** All photos will be handled with care. However, the Iowa State Fair is NOT responsible for any loss or damage to entries.
14. **QUESTIONS:** Please contact the Iowa State Fair Entry Department at (515) 262-3111 ext. 267.

**NOTE:** Any photo that does NOT meet the above requirements will NOT be judged. Entry fees will NOT be refunded.

## ENTRY SCHEDULE AND ENTRY DEADLINE

**ENTRY FEE:** \$5 per photo. (*Maximum of four photos.*) Make checks payable to the Iowa State Fair.

**ENTRIES ACCEPTED:** Saturday, June 18 and Sunday, June 19 from 10:00 a.m. until 4:00 p.m. in the Cultural Center at the Iowa State Fairgrounds.

**ENTRY BY MAIL:** Do NOT mail *before* Monday, May 23. Entries by mail *must* be postmarked by *midnight* on Saturday, June 11. To enter by mail you *must* include your *entry form*, *entry fee*, and *photos* in the same package. For *standard* mail, send to: Iowa State Fair, Photography Salon, P.O. Box 57130, Des Moines, IA 50317. For *UPS* or *FedEx*, send to: Iowa State Fair, Photography Salon, 3000 East Grand Ave., Des Moines, IA 50317.

**ENTRY DEADLINE:** Any photos received *after* 4 p.m. on Sunday, June 19 will NOT be judged.

## JUDGING RESULTS

**RESULTS:** A results postcard will be mailed to entrants *two* weeks *before* the Photography Salon Reception. A list of exhibitors who have *one* or *more* photos accepted for display will be posted on the Iowa State Fair website at [www.iowastatefair.org](http://www.iowastatefair.org) prior to the Reception. The complete results will be posted *after* the Reception. The judges' *decisions* are final.

## PHOTOGRAPHY SALON RECEPTION

**LOCATION:** Cultural Center, Iowa State Fairgrounds

**DATE:** Sunday, August 7 from 1:00 p.m. until 5:00 p.m.

**CEREMONY:** Award Ceremony at 2:00 p.m.

## SUPERINTENDENT'S COMMENTS

It is NOT the *judges'* responsibility to pick out *your* best baby, people, dog, cat, bird, frog, flower, barn, building, landscape, or sunset photo. Photographers need to *pre-judge* their *own* work and submit *only* their *best* photo of *each* subject matter. The entry rules *clearly* state that the *same* photo or *similar* photo CANNOT be entered in multiple classes. Photos that are the *same* or *similar* will be *rejected*.

This entry rule was created to help *increase* NOT *decrease* your chances of getting *in the show*. During the *first* round of judging, *all* four of *your* photos are lined up *together* in front of the judges. To *increase* your chances of being *exhibited*, your photos should be of entirely *different* subjects. Another *huge* mistake is trying to *copy* or *duplicate* the *ideas* of *other* photographers or *previous* award winners.

## TIPS FOR ENTERING

- Composition! Composition! Composition!
- Learn the *Rule of Thirds*. Do NOT *always* put your *main* subject in the center.
- What is your *main* subject? If the *judges* CANNOT tell, it is *out of the show*.
- Is your *main* subject *in focus*? If it is *out of focus*, it is *out of the show*.
- Watch for *background* distractions. Look carefully *around* your *main* subject *before* taking your photo.
- Do NOT *always* have your *main* subject (people, dogs, cats, etc.) *stare* directly into the camera.
- Do NOT *copy* or *duplicate* the *ideas* of *other* photographers or *previous* award winners.

## FOG

Fog *usually* forms in the mid to late evening and *often* lasts until early the next morning. It is also *much* more likely to form near the surface of water that is *slightly* warmer than the surrounding air. Fog is a *natural* soft box that *scatters* much, if not all, of the light source. This *scattering* of the light can also *dramatically* reduce the *overall* contrast of the scene. Shooting in the fog can often create some very *dramatic* and *spectacular* photographs.

Your *assignment* over the next year is to *create* some very *dramatic* images that were taken in the fog. Your images should *excite* and *inspire* the other photographers and visitors at next year's Iowa State Fair. More importantly, your images must also *excite* and *inspire* next year's *three* judges. You have to make *them* wish that *they* were the *photographer*. If you do this, I can *guarantee* that your photograph will be on *display* next year. Because you will have had an *entire* year to perfect your skills, the photographs in the *theme* class will be *judged* to a much *higher* standard.

There are *no* steadfast rules *when* photographing in the fog. However, you must still be *focused* on *creating* an image that has a *great* composition and is also *properly* exposed. Even in the fog, your *main* subject should be *clearly* defined. It can often be *helpful* to have your *main* subject *closer* to the camera. Again, if the judges *cannot* figure out what your *main* subject is, it is 'Out of the Show'.

Fog makes the air much more *reflective* to light. This means that the *meter* inside your camera is going to be *fooled* into thinking that it needs to *decrease* the exposure. I would *highly* recommend taking *several* tests shots and also *bracketing* your exposures.

Fog can be a *powerful* and *valuable* tool for emphasizing the *depth*, *lighting*, and *shape* of your subjects. It can be *eerily* beautiful. Fog can also transform *almost* any setting into something *ominous*, *moody*, *quiet*, or *thoughtful*. It can also be notoriously *difficult* to photograph.

Your *shutter speed* will make a *big* difference on how the *texture* of the fog will appear. Fog can move in *varying* degrees of thickness. It may *not* retain its *texture* if your *exposure* time is *too* long. To *retain* the fog's texture your *shutter speed* should be *one second* or *less*. Using a *longer* time exposure can often *smooth* out the fog and create even *more* of a dramatic mood or setting. So, which is the *best* way to photograph fog? "It depends!" Every scene is *totally* different so you will need to experiment. Remember, I did *not* say this assignment would be easy.

I do have *one* final word of *caution*. Remember to *focus* on the *art* of photography by creating *photographs* NOT *snapshots*. A *photograph* is so much *harder* to *create* than a *snapshot*. It takes time, thought, creativity, and planning to create. A really great *photograph* is actually *created* in the *mind* of the photographer *well* before the shutter is ever released. The true *art* of photography is to, "Show us the world as we have never seen it before!"
