To Rodney A. Roberts, Director of the Iowa Department of Inspections and Appeals:

The Iowa Department of Inspections and Appeals is a part of the State of Iowa and, as such, has been included in our audits of the State's Comprehensive Annual Financial Report (CAFR) and the State's Single Audit Report for the year ended June 30, 2017.

In conducting our audits, we became aware of an aspect concerning the Department's operations for which we believe corrective action is necessary. As a result, we have developed a recommendation which is reported on the following page. We believe you should be aware of this recommendation, which pertains to the Department's internal control. This recommendation has been discussed with Department personnel and their response to this recommendation is included in this report. While we have expressed our conclusion on the Department's response, we did not audit the Iowa Department of Inspections and Appeals' response and, accordingly, we express no opinion on it.

This report, a public record by law, is intended solely for the information and use of the officials and employees of the Iowa Department of Inspections and Appeals, citizens of the State of Iowa and other parties to whom the Department may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Department during the course of our audits. Should you have questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience. Individuals who participated in our audits of the Department are listed on page 5 and they are available to discuss these matters with you.
