## Join Volunteer Day on Saturday in Iowa State Parks

Don't forget, Volunteer Day is Saturday! More than 40 state parks will be hosting volunteer events to help spruce up the parks, and we invite you to lend a hand!

Volunteer activities will be unique to each park and could include litter pick-up, painting buildings, clearing trails, planting trees and more.

Learn more about specific park events on the [DNR's Volunteer webpage](#).

We can't wait to see you this weekend!
