No matters were noted.

Findings Reported in the State's Report on Internal Control:

No matters were noted.

Other Finding Related to Internal Control:

No matters were noted.

Finding Related to Statutory Requirements and Other Matters:

Iowa Code Compliance – Chapter 73.16 of the Code of Iowa requires the Director of each state agency or department of state government (state agency) having purchasing authority, in cooperation with the Targeted Small Business (TSB) Marketing and Compliance Manager of the Iowa Economic Development Authority (IEDA), to establish a procurement goal for certified targeted small businesses prior to the commencement of each fiscal year. The procurement goal shall include the procurement of goods and services, including construction, but excluding utility services. The goal shall be stated in terms of a dollar amount and at a level exceeding the procurement levels from certified targeted small businesses during the previous fiscal year.

The TSB procurement goal for the Iowa Law Enforcement Academy was not set at a level exceeding the fiscal year 2016 actual TSB spending.

Recommendation – The Iowa Law Enforcement Academy should establish a procurement goal exceeding the previous fiscal year certified targeted small business procurement level as required or seek legislation to change this statutory requirement.

Response – Iowa Code Chapter 73.16 was shared with the staff member who prepares the TSB reports. The Director of ILEA will review the TSB goal and actual spending from the prior year before setting a TSB procurement goal that exceeds the previous fiscal year actual spending effective immediately.

Conclusion – Response accepted.
