FY 2019 Q3 Intended Use Plans Approved

The Iowa Environmental Protection Commission approved the Clean Water State Revolving Fund (SRF) and Drinking Water SRF Intended Use Plan - Quarter 3 Update for fiscal year 2019, which began on July 1, 2018. The Commission took the action on December 18, 2018 at their meeting in the Iowa State Capitol. For more information on the Intended Use Plans, please use the links below.
