Brainfuse Library Staff Training and Resources for Promotion

Training Webinar Options

The webinar recording for training library staff on Brainfuse JobNow and VetNow is now available to view. The hour-long video goes over all of the services and features available to libraries, including live, one-to-one assistance from online experts, skills-building content including videos and practice tests, nationwide and local resources for job seekers and veterans returning to civilian life, integrated account features, and much more.
