

STUDENT & FACULTY DIVERSITY REPORT

March 2017

IowaCollegeAid.gov

The Iowa College Student Aid Commission (Iowa College Aid) annual Student and Faculty Ethnic Diversity Report summarizes trends in representation by minority population groups among students, faculty, and state financial aid recipients at Iowa colleges and universities. The report has been published each year since 1992 and is provided to the Governor and Iowa General Assembly as directed by Iowa Code §261.2 (Duties of commission). The report is based on an annual survey of Iowa college and university officials. Iowa College Aid is grateful for the assistance of college and university staff who contributed the information compiled for this report.

Findings of the 2017 report include the following:

- In the fall of 2016, 37,582 minority students were enrolled at Iowa colleges and universities.
- Enrollment of racial and ethnic minority students in Iowa's colleges and universities has increased steadily since 1992, when the Ethnic Diversity Survey was first conducted. Between fall 1992 and fall 2016, enrollment of racial and ethnic minority students in Iowa's colleges and universities more than tripled.
- In the fall of 2016, racial and ethnic minorities represented 16.5% of enrollment in Iowa colleges and universities. Of those, 9.6% were Iowa residents.
- Of Iowa-resident minority students attending college in Iowa during the previous academic year (2015-16), 6.9% were awarded an Iowa Tuition Grant, 1.9% Iowa Vocational-Technical Tuition Grant, or 0.9% All Iowa Opportunity Scholarship.

Some apparent trends in this report partly reflect changes in agency methods of counting students and faculty by race/ethnicity implemented in the fall of 2010. Methods for collecting the data in this report are described under Report Background. The numbers reported only reflect race and ethnicity self-reported to the institutions; therefore data represented in this report will not match total enrollment data on various other reports.

For this report, minority students and faculty include those from the following population groups: Hispanic or Latino; American Indian or Alaska Native; Asian; Black or African American; Native Hawaiian or other Pacific Islander; two or more races/ethnicities.

POSTSECONDARY ENROLLMENT

POSTSECONDARY ENROLLMENT 1992-2016

In the fall of 2016, a total of 227,097 full- and part-time graduate and undergraduate students were enrolled in Iowa postsecondary institutions, including Regent universities, independent four-year colleges and universities, community colleges, proprietary colleges and specialized graduate medical schools. This figure represents enrollment at Iowa degree-granting institutions, which annually report student ethnic diversity data to Iowa College Aid.

Total enrollment in Iowa's colleges and universities increased steadily until 2011. In the fall of 1992, the first year of the Ethnic Diversity Report, full-time and part-time enrollment in Iowa was 172,435. Between 1992 and 2016, total enrollment expanded 32.0%.

Enrollment in Iowa Colleges and Universities

Enrollment includes full and part-time undergraduate, graduate and professional students

POSTSECONDARY ENROLLMENT

In 1992, Iowa colleges and universities enrolled 9,744 students from racial or ethnic minority groups; in 2016, this figure was 37,582—an increase of over 250%. In 2011, total enrollment began to decrease in Iowa colleges and universities, largely due to the economic recovery, but enrollment for minority groups increased 2.7% from the previous year. In the years between 1992 and 2016, the total population of Iowa increased by 316,292—from 2.81 million to 3.13 million. In the years between 2000 and 2014, growth of minority students in Iowa colleges and universities has outpaced total population growth by over 100%.

Enrollment by Racial and Ethnic Minority Students in Iowa Colleges and Universities

Enrollment includes full and part-time undergraduate, graduate and professional students

POSTSECONDARY ENROLLMENT

Between 1992 and 2016, total enrollment in Iowa colleges and universities increased by over 54,000 students, from 172,435 to 227,097, and the percentage of total enrollment represented by racial and ethnic minorities in Iowa's colleges and universities expanded from 5.7% to 16.5%. Growth in minority enrollment between 1992 and 2016 significantly outpaced overall enrollment growth during these two decades. Between 1992 and 2016, total enrollment grew by 32%, while enrollment of racial and ethnic minority students increased over 250%. As a percentage of total enrollments, minority enrollment began steady expansion in the early 2000s. A little over half of total minority students enrolled in Iowa colleges and universities are Iowa residents.

MINORITY RECIPIENTS IN STATE-APPROPRIATED STUDENT FINANCIAL AID PROGRAMS

For the Student and Faculty Ethnic Diversity Report, Iowa institutions report the race/ethnicity of recipients of state financial aid for four major state aid programs: Iowa Grants, Iowa Tuition Grants, Iowa Vocational-Technical Tuition Grants and All Iowa Opportunity Scholarships.

In the 2015-2016 academic year, 9.86% of Iowa resident minority students attending college in Iowa were awarded one or more of these grants. The chart below tracks the history, since 1992, of grant program recipients who were Iowa-resident minority students. Programs are reported beginning with the 1995-1996 academic year. Recipients in the All Iowa Opportunity Grant program by race/ethnicity were reported for the first time in 2010-11.

The chart shows minority recipients in these four state aid programs as a percentage of total recipients. In the 2015-2016 academic year, 6.99% of Iowa Tuition Grants, 1.9% of Iowa Vocational-Technical Tuition Grants and 0.99% of All Iowa Opportunity Scholarships were awarded to minority students.

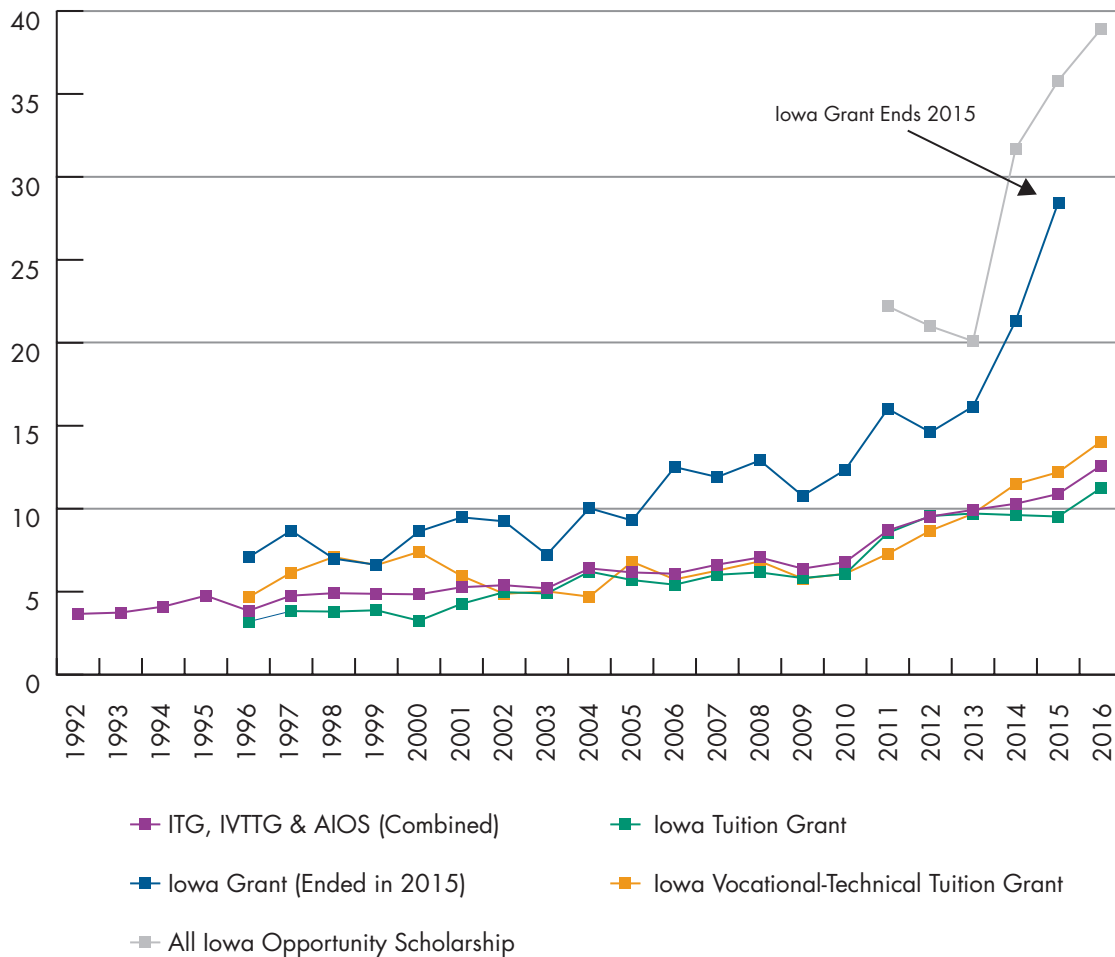

Percent of Iowa Minority Students Receiving Grants and Scholarships

MINORITY RECIPIENTS

The chart below shows minority participation in these four state aid programs as a percentage of total participation. In the 2014-2015 academic year, 11.2% of Iowa Tuition Grants, 14.0% of Iowa Vocational-Technical Tuition Grants and 38.9% of All Iowa Opportunity Scholarships were awarded to minority students.

Percent of Grants Awarded to Minority Students

Enrollment includes full and part-time undergraduate students

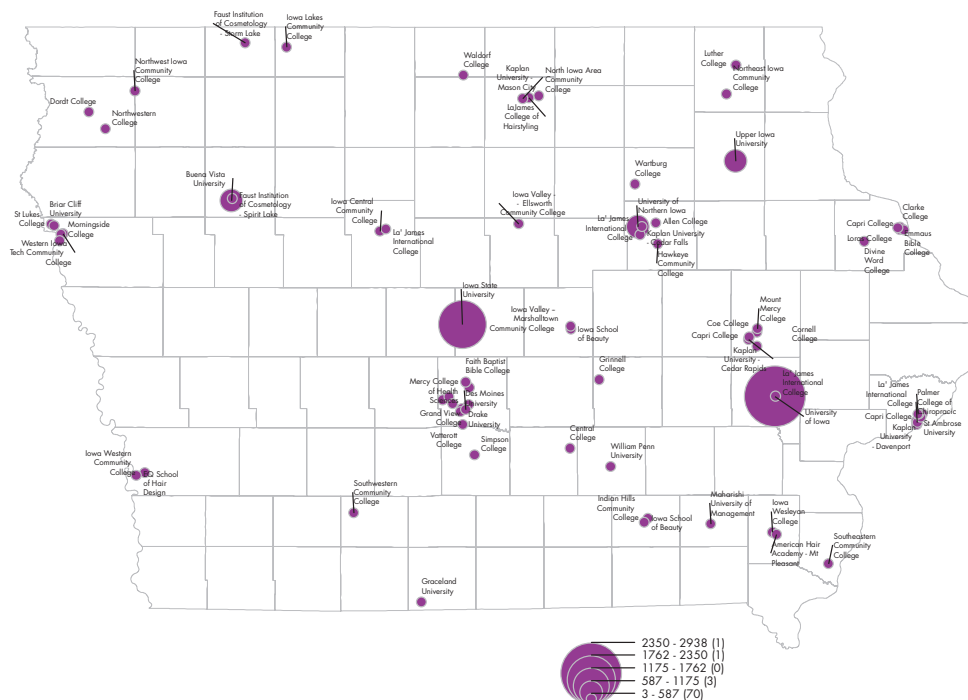

MINORITY FACULTY

In the fall of 2016, a total of 16,803 full- and part-time faculty members were part of teaching, research, or public service in Iowa colleges and universities. A total of 1,679, or 10.0%, were faculty from minority population groups. Between 1992 and 2016, total faculty increased steadily with a slight peak between 2013 and 2015. The chart below represents minority faculty as a percentage of total faculty by sector.

Minority Faculty as a Percentage of Total Faculty by Institutional Sector

Total Faculty (2015-16)

Iowa Code §261.2 directs Iowa College Aid to collect data on racial and ethnic diversity at Iowa colleges and universities and to provide a report to the Governor and Iowa General Assembly. Iowa College Aid collects this information by means of its annual Ethnic Diversity Survey, one of three principal surveys Iowa College Aid administers annually to Iowa postsecondary institutions.

Since it was first administered in 1992 until the fall of 2009, the content of Iowa College Aid's ethnic diversity survey remained essentially unchanged. During this period, the survey collected information about the representation of students and faculty from various minority population groups for both U.S. citizens and non-resident aliens. In fall 2010, the survey form implemented new race and ethnicity categories consistent with U.S. Department of Education guidelines for reporting race and ethnicity. In 2010, for the first time, the survey allowed institutions to report the (unduplicated headcount) number of students and faculty in the following race/ethnicity categories:

1. Non-Resident Alien
2. Race and Ethnicity Unknown
3. White

In previous years the ethnic diversity survey collected the race/ethnicity of non-resident aliens rather than treating "non-resident alien" as a separate and unique race/ethnicity category for reporting purposes. For this reason, apparent trends in minority representation are partly conflated with shifts attributable to this one-time change in methods of counting students and faculty by race/ethnicity.

The system used for reporting race and ethnicity data in Iowa College Aid's annual ethnic diversity survey is consistent with the U.S. Department of Education's guidance on reporting such data as it pertains to the Integrated Postsecondary Education Data System (IPEDS) (Federal Register, 2007). According to this guidance, when reporting race and ethnicity data, educational institutions report aggregated racial and ethnic data in the following categories:

1. Non-Resident Alien.
2. Race and Ethnicity Unknown.
3. Hispanic or Latino. A person of Cuban, Mexican, Puerto Rican, South or Central American or other Spanish culture or origin, regardless of race. (The term "Spanish origin" can be used in addition to "Hispanic/Latino or Latino.")
4. American Indian or Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains a tribal affiliation or community attachment.
5. Asian. A person having origins in any of the original peoples of the Far East, Southeast Asia or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand and Vietnam.
6. Black or African American. A person having origins in any of the Black racial groups of Africa.
7. Native Hawaiian or Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa or other Pacific Islands.
8. White. A person having origins in any of the original peoples of Europe, the Middle East or North Africa.
9. Two or more races.

Duties of commission, Iowa Code §261.25 (2011).
