Environmental Services

Join us April 11 for the latest on Iowa EASY Air

You're invited. Please join us from 1 to 2 p.m., April 11, to find out how Iowa EASY Air can make submitting air quality permit applications a breeze. This new online system will save your industry time and effort, making submittal easier for everyone.

As we make progress toward our December roll-out, we hope you will become actively involved in the project—taking advantage of opportunities to participate.

On the agenda:

- How we got here – thank you for your input at stakeholder meetings
- A progress report on developing the system
- Where we are now -- budget and timeline
- And more
 - Testing opportunities
 - Partnering to market EASY Air
 - No prizes, but help us choose the EASY Air logo

Please sign in at the fourth floor reception desk, in the Wallace State Office Building, 502 E. Ninth St. in Des Moines, to be directed to the Second Floor West Conference meeting room.

Find handouts on the [Public Participation website](#) by scrolling down to Meetings – Iowa EASY Air.

Please contact Marnie Stein at Marnie.Stein@dnr.iowa.gov if you have any questions.

DNR's Air Quality News listserve is targeted to the regulated public and consultants to deliver timely regulatory news, program updates, and technical guidance to your email. If you have difficulty, please contact DNR's Wendy Walker at 515-725-9570.
