## Boil advisory lifted, water safe to consume in Mystic in Appanoose County

**MYSTIC, Iowa** – The Boil Advisory in place for the city of Mystic since June 11<sup>th</sup> has now been lifted following repairs made to a broken water main.

While repairs were made, the entire town was without water pressure. After repairs and restoring pressure, the city flushed the system and collected water samples for testing.

Samples collected throughout the community indicate the water is safe to drink.

For more information, contact City of Mystic Water Superintendent Chris Sheldon at (641) 777-3303.
