Auditor of State's Independent Report on Applying Agreed-Upon Procedures

To the Honorable Mayor, Members of the City Council and Members of the Executive Council:

We have performed the procedures below which were agreed to by the City of Seymour for the period July 1, 2017 through June 30, 2018 to ensure the State Disaster Aid loan received by the City pursuant to Chapter 29C.20 of the Code of Iowa has been accounted for and spent in accordance with determined eligibility. The City of Seymour's management is responsible for compliance with these requirements and for the financial information.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the City. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed are summarized as follows:

1. We reviewed debt transactions for proper authorization and to determine whether the debt and related proceeds and repayments were properly accounted for.
2. We reviewed and tested all disbursements made for disaster recovery relief for proper approval, adequate supporting documentation and compliance with the allowable uses established by Chapter 29C.20 of the Code of Iowa.

Based on the performance of the procedures described above, we identified a recommendation for the City. Our recommendation is described in the Detailed Recommendation section of this report. Unless reported in the Detailed Recommendation, no items were noted during the performance of the specific procedures listed above.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the proper accounting and use of State Disaster Aid loan. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is to report certain agreed-upon procedures and the resulting recommendations. This report is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the City of Seymour during the course of our agreed-upon procedures engagement. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
