Stakeholder Meeting on Proposed Changes to Chapter 69 for Onsite Wastewater Treatment and Disposal

The Iowa Department of Natural Resources is holding a stakeholder meeting to discuss proposed changes to Chapter 69 of the Iowa Administrative Code for Onsite Wastewater Treatment and Disposal. The Iowa DNR is proposing to initiate rulemaking for Chapter 69 for the purpose of addressing proposed legislation in Senate File 511 regarding maintenance requirements, including designation of whom is allowed to perform maintenance on peat moss bio filter systems, recirculating textile filter systems, or anaerobic treatment units.

The stakeholder meeting will be held on November 1st, 2019, at the Iowa League of Cities, 500 SW 7th St., #101, Des Moines, IA 50309. The meeting for Chapter 69 will be held from 10:00 a.m. to 12:00 p.m. Free parking is available in the Iowa League of Cities' parking lot.

Please see the [Private Septic Systems](#) webpage for a summary of the proposed changes to Chapter 69.

Please contact Cory Frank at cory.frank@dnr.iowa.gov or 515-725-8404 with any questions on the proposed changes or on the stakeholder meeting. Written comments on the proposed rules may be submitted by email to cory.frank@dnr.iowa.gov or may be mailed to Cory Frank, Iowa DNR, 502 East 9th St, Des Moines, IA 50319, until November 20, 2019.
