Come visit DNR, take MAC training at Pork Congress

Producers and consultants—come visit with DNR’s technical experts at [Pork Congress](#) Jan. 22 and 23 at the Iowa Events Center in Des Moines.

Take advantage of their field experience to get your questions answered on everything from MMPs to construction and spill prevention. Or, stop by and spin the wheel to receive a prize for displaying your knowledge and stewardship.

Find us in Booth 1525, north of Iowa Pork Producers Association’s booth, from 9 a.m. to 5 p.m. Wednesday and 9 a.m. to 4 p.m. Thursday.

Manure applicators can renew or update their confinement site certification at a Thursday training session with DNR and Iowa State University. To qualify, plan to attend the entire two hours from 10 a.m. to noon in Room 103 on the lower level. Pre-registration is encouraged.
