Funny, You Don't Look Autistic

The next [Big Library Read](#) kicks off on March 30 with the ebook and audiobook title: [Funny, You Don't Look Autistic](#) by Michael McCreary

Like many others on the autism spectrum, 20-something stand-up comic Michael McCreary has been told by more than a few well-meaning folks that he doesn't "look" autistic.

This unique and hilarious #OwnVoices memoir breaks down what it's like to live with autism for readers on and off the spectrum.
