## **Pre-Session Update to the State Board of Health**

Please find a pre-session legislative update that IDPH presented to the State Board of Health on Jan. 8, 2020, [here](#).

This update goes over basic department information and interesting facts about the work done by IDPH and its partners. It also provides a brief overview of some of the major pieces of legislation in 2019 that impacted the department, and includes IDPH's policy proposal for this year. That proposal - to strengthen the Smokefree Air Act - would expand the definition of smoking to include vapor products. The [bill draft is available here](#).
