### SRF Water Resource Restoration Sponsored Project Application Materials for September 2020 Application Round Now Available

The SRF Water Resource Restoration Sponsored Project program provides wastewater utilities with the opportunity to fund locally directed, watershed-based, nonpoint source projects to address water quality problems. The SRF Sponsored Project Application for the September 2020 application deadline is now available. Communities or wastewater utilities interested in applying for an SRF Water Resource Restoration Sponsored Project should note the upcoming deadlines:

**July 2, 2020:** Deadline hold a pre-application conference call with DNR. The call is mandatory with the purpose of discussing potential projects, getting technical advisors involved early, and going over the application requirements. .

**September 1, 2020:** Deadline to submit a sponsored project application.

The new application materials are now posted online at: [http://www.iowasrf.com/about\\_srf/2020-sponsored-project-application-packet/](http://www.iowasrf.com/about_srf/2020-sponsored-project-application-packet/)

To schedule a pre-application call or for information about the SRF Sponsored Project program contact Lee Wagner, [lee.wagner@dnr.iowa.gov](mailto:lee.wagner@dnr.iowa.gov), 515-725-0992.
