Northwest Office Hours May 12th

Northwest Office Hours continue tomorrow--**Tuesday May 12** at **10:30AM** in my ZOOM Room, here's the link <https://zoom.us/j/7124443993>

Thanks to all who have participated in these conversations in the past five weeks. Our gatherings at Northwest are averaging about 25 people each time, proving this is fulfilling a need. The format is set up as a casual conversation with no set agenda, although reopening procedures are understandably top-of-

mind. Tomorrow, I'll have two video clips teed up: one about reopening, the other is purely feel-good! Curious?

There is no C.E. credit for office hours because this is really a chance to stay connected with each other. Just login to share your experiences in managing library service these days and share your thoughts about what service might look like in the days ahead.

Special thanks to everyone using microphones, web cams are adding a nicely personal touch, too! Come as you are, wherever you are--put the coffee on!
