STATE LIBRARY OF IOWA

NE District - May 20, 2020

## This week's open forum on Thursday!

I have an overbooked schedule this Friday, so will be moving our Open Forum to Thursday the 21st at 1:30 pm. I hope that won't be a problem. Who knows, some of you might like it better.

Open forums are set up as a casual conversation with no set agenda. Just log in to share your experiences in managing library service during this strange time and share your thoughts about whatever is on your mind this week.

Special thanks to everyone using microphones, web cams are adding a nicely personal touch, too! Come as you are, wherever you are--put the coffee on!
