## Wise Guys Program

Wise Guys is a PREP curriculum model designed to prevent adolescent pregnancy by helping 11-17 year old males make better, wiser decisions through a 12 week program.

### What Youth are Saying About **Wise Guys**

'If you're about to do something, you have to ask yourself a question first. Which is **what are the consequences** if I do this, **what are the reactions** of what's going to happen if I do or do not do it.'

'Whether we were talking about when it was to have sex, or depression, it always seems like **everyone in this group was willing and ok with sharing their opinion.**'

'For people who aren't as mature as some of us are, **it's a good way to become mature** because we're learning about mature topics.'

'It's a **great program**. It was amazing.'

'Consent. To know exactly what it is. Because most people are, like, well she didn't say no, but that's not consent. **Consent is she has to say yes.**'

'Learning about **how to be a smarter person**, about situations that come up'

'Think I **learned something every day.**'
