Join us Aug. 13 for EASY Air Title V “how-to” webinar

Sign up now to learn how to use DNR’s Environmental Application System (EASY Air)—an easier online system to apply for air quality Title V operating permits.

Join us Aug. 13 from 9:30 to 11:45 a.m. for a training webinar on using EASY Air to submit Title V operating permit applications. After an introduction to the system, you’ll learn the essentials on how to:

- access and navigate the system
- complete Title V applications
- modify Title V permits
- amend sent back applications.

Be thinking of your questions. Presenters will allow ample time to answer them.

Register at <https://register.gotowebinar.com/register/665204942614892302>. After registering, expect a confirmation email with information about joining the webinar.

Take the time to master EASY Air tools and speed final permit delivery. EASY Air:

- Reduces data entry
- Increases data accuracy
- Saves time on application preparation and submittal
- Accepts online payments.

You can also find a registration link to webinars at eAir Services under the “What Kind of Training is Available” tab. If you cannot attend, you can watch December 2019 training webinars at eAir Services.

A note on Iowa DNR and COVID-19

The Iowa Department of Natural Resources is working with state and local officials to reduce the spread of COVID-19 and has transitioned employees to work remotely. DNR offices are closed to the public during this time and only available by appointment.

In another effort to further reduce the spread of COVID-19, the DNR is encouraging the use of the online services for submitting applications, payments and other daily tasks and interaction with DNR staff.
