

From the State Library - July 28, 2020

## PLOW Website Use Reports

Beginning August 1, 2020 PLOW website usage statistics **will be emailed** to all PLOW website libraries on a monthly basis. The first report will be sent out August 1, 2020 for July 2020 website use.

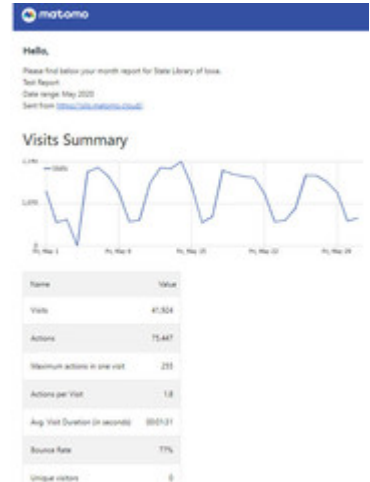

PLOW Website libraries using Concrete 5 or Plone will receive this report.

The report will list the number of visits and actions. Actions includes all activity of a visitor while on the site, including pageviews, downloads, and form submissions.

No training is required to receive and interpret these reports.

**Individual library accounts have been disabled in Matomo in lieu of the emailed reports.**

More in-depth statistics will still be collected. If a library needs additional usage information, occasionally or temporarily, contact an LRT.
