## **Iowa Workforce Development reports initial unemployment insurance claims filed for week of July 19 - July 25, 2020**

DES MOINES - The number of initial claims in Iowa, filed between Sunday, July 19, and Saturday, July 25, was 7,441. There were 6,764 initial claims by individuals who work and live in Iowa, and 677 claims by individuals who work in Iowa and live in another state. The number of continuing weekly unemployment claims for July 19-25 was 110,960, a decrease of 4,970 from the previous week.

The U.S. Department of Labor adjusted last week's initial claim number down to 8,811 (a decrease of 694) and continuing claims to 115,930 (a decrease of 880 for a total decrease of 1,574). Iowa Workforce Development relies upon the weekly data released by the U.S. Department of Labor to report its numbers and as such, adopts the revisions to the previously published data.

Unemployment insurance benefit payments totaled \$31,811,405.67 for the week of July 19-25. The following industries had the most claims:

- Manufacturing (1,850)
- Industry Not Available - Self-employed, Independent Contractors, etc. (1,154)
- Health Care & Social Assistance (693)
- Education Services (517)
- Accommodation & Food Services (472)

A total of \$83,802,990 in Federal Pandemic Unemployment Compensation (FPUC) benefits was paid during the week of July 19-25, 2020. Since April 4, 2020, a total of \$1,480,501,543 in FPUC benefits has been paid.

A total of \$5,170,615.30 was paid in Pandemic Unemployment Assistance (PUA) benefits during the week of July 19-25, 2020.

A total of \$3,771,896.82 in benefits has been paid in Pandemic Emergency Unemployment Compensation (PEUC) benefits for the week of July 19-25, 2020. Since May 27, 2020, a total of \$35,687,243.11 in PEUC benefits have been paid.

Federal Pandemic Unemployment Compensation benefits ended July 25th in Iowa which means the \$600 weekly additional benefit stopped. Claimants will therefore see a corresponding decrease in their weekly benefit amount. Individuals who have exhausted the additional 13 weeks of PEUC benefits may be eligible for State Extended Benefits (EB) announced in June. Claimants should continue to file weekly claims so that their claims can be reviewed to determine eligibility for State EB. These benefits may provide eligible claimants up to an additional 13 weeks of unemployment benefits. Not everyone who qualified for PEUC

will be eligible for State EB. More information is available

Employers are now required to notify their employees about Unemployment Insurance (UI) benefits in accordance with Iowa Administrative Code Section 871-22.19. The requirement ensures that workers are aware of the benefits they may be eligible for if they become unemployed or experience a reduction in hours.

Employees and employers who have questions regarding returning to work should review the Frequently Asked Questions for each group on our website.
